Chapter 1 - A Love forever

2

1 - A Love forever

Why do you see right thorough me,
As if I weren't real.
Pushing out all memories of me,
Out of your mind forever.

Just because I've gone,
Doesn't mean I'm not in your heart.
I speak to you,
With only my love.

You said I've left you,
You yell my name.
You're not the same person I once knew,
You've slipped into madness.

A dark depression, without love,
A dark and loveless hell,
You hide there,
Within your mind.

You've lost all your love,
Forgotten every kiss.
Hiding yourself,
Within a black hole.

You act as if you'll die too,
But don't give up, there's more to your life,
Another love for you,
But you must find her.

You act as if your wounds will never heal,
Without my hand to hold.
No comforting kiss,
To help you through this event.

Time will not erase what's happened,
It wasn't your fault.
It was my destiny to die,
But I never left you.

Find another love,
Another hand to hold.

I'm not there to chase away your fears anymore,
Not there to wipe away your sweet tears.

Just remember me,
I'm in your heart.
Look closely,
And there I'll be.

Our love will go on,
But you need someone else.
Someone to love you once again,
Someone to listen to you.

I know I haunt your every thought,
You kiss my picture every day.
But you need to get out,
Get out of that dark hell your trapped in.

Help yourself,
Learn to love again,
Death can be a gift,
So find your soul mate.

Be with her,
Comfort her.
Love her,
And have a life once again.
