**Chapter 1 - 1**

**2**

Her eyes oceans of dreams,  
Her voice the sound of crystal chimes,  
Skin soft velvet.

Her hair black as a raven,  
Her lips deep rose red,  
Her love the morning sun.

He loved the young farm girl,  
watching her move in the sunshine,  
and moonlit.

When he looked in her eyes he became obsessed,  
obsessed with her love, charm, and grace,  
her every move.

When he looked at her smile he became possessed,  
possessed by the power of love,  
Hi love was more powerful than the power of the sun.

He asked his sweet love to come marry him,  
to be with him for eternity,  
she said I'm already lost in love for eternity.

So he swooped her up,  
into his arms,  
he was her fairy tail prince.

Their love was once upon a time,  
A storybook made real,  
love.

When she asked what her lived for he said,  
true love!  
my true love for you!  
A once upon a time,  
a fairy tail,  
a storybook love made real.
