**Chapter 1 - 1**

Black rose in December

You close your eyes,  
and you remember..  
like a wave of cascading waters,  
The memories come back,  
To the autumn in December.

When the leaves still brown,  
the wind a chill, but the snow still fell..  
and the river froze,  
Like cold on ice, it burned your mind like a flame,  
Like a secret you will never tell.

You remember his eyes,  
like a glowing galaxy,  
icy blue-gray,  
As wax on a candle, they made your soul melt,  
And you wouldn't have it any other way.

You remember his hug,  
sending shivers down your spine..  
a kiss that stopped time,  
Always loving you, like an everlasting song,  
That swept you away every time.

Love like a rose,  
ice crystals all around..  
until that unfaithful day,  
When the rose turned black,  
And your world feel down.

A grave stone tells it all,  
his name engraved on the stone..  
and the rose turns back to red,  
As you come out and say,  
Our love is deep, it goes straight to the bone.
