1 - My Immortal Love

It was late the night we met.
The moon casting its celestial glow.
I sat alone, sipping sweet, blood red wine.
My eyes danced from face to face.
The crowded room swirling with movement and laughter.
And there you were...
Our eyes met and all that surrounded me vanished.
Brilliant green; emeralds set a blaze.
Ebony hair feathered upon broad shoulders.
Alabaster skin..
Like a single flame flickering in the gloom.
All I could hear was the frantic melody of my heart beating.
Who was this beautiful creature, whom captured me effortlessly?
You walked to, meaning to carry me away.
Graceful, elegant you...
Louis...
My love, my porcelain prince.
Our love, drinched in crimson waves eternal...
