# 1 - Letting Go

As I watch them fill my hole  
in the middle of winter, i  
wonder do i even have a soul.

The winter wind blows  
the temperature drops, and  
it continues to snow.

The last pile of dirt gets  
thrown on but, i just need  
to close my eyes and move on.

Winter turns to spring  
spring turns to summer,  
but im dead wow, what a bummer.

As it rains and poors  
i here nothing but,  
everyone else's snores.

Now i know today is  
the day i regret it,  
i should have never let go.

Death is approaching me  
i cant do anything,  
not even flee.

today is not my day  
please don't take me away  
but i have no choice but to obey.

Who knew the last words  
i would say was  
I Love You.
