**Chapter 1 - Goodbye**

**2**

# 1 - Goodbye

As the tears fall down my face  
everything stands still,  
even time and space.

I look into your eyes  
but see nothing,  
but all of your goodbyes.

I hate to see you leave  
but as you can see,  
I've already rolled my sleeve.

As you walk out that door  
i stand still and freeze,  
my knees hit the floor.

There is nothing left of us  
no connection,  
no fuse.

After a few months pass by  
i wonder, how long,  
are you gonna sit there and lie?

I lay in bed  
what made this happen,  
what was the last thing i sayed.

So i just put on a fake smile  
so other people think,  
im good after awhile.

Well today is a new day  
so im going to start by,  
saying hello and hey.
