**Chapter 1 - Keep Your Innocence**

# 1 - Keep Your Innocence

I met a girl,  
And she loved the whole world,  
Though to them she was invisible

And though she laughs,  
She's still shedding tears,  
For a world that's sunk down the drain

She's really dying in this hell,  
It's evident in her broken smile,  
And she doesn't want much,  
Just someone to listen for a while

She's completely selfless,  
And blames herself,  
For the trouble they tell her she causes

It's not your fault,  
Don't listen to them,  
Just dream your silly dreams  
As long as you can

Keep your innocence child,  
Woah, keep your spirit wild

Keep your innocence child,  
Woah, keep your spirit wild

I met a boy,  
Vacant of joy,  
But nobody pays attention

And though he screams  
To have wonderful dreams  
He sleeps with all his nightmares

He's really dying in this hell,  
It's evident in his desperate smile,  
And he doesn't want much,  
Just someone to listen for a while

He's completely selfless,

And blames himself,  
For the trouble they tell him he causes

It's not your fault,  
Don't listen to them,  
Just dream your silly dreams  
As long as you can

Keep your innocence child,  
Woah, keep your spirit wild

Keep your innocence child,  
Woah, keep your spirit wild

Just keep your spirit wild
