A Smile

You thought,

When I smile, I am amused,

When I smile, I am happy,

When I smile, all are fine.

ooo

You thought,

With this smile, I am vulnerable,

With this smile, I am naïve,

With this smile, I'll follow where you lead.

ooo

But, you never knew,

With this smile that you thought was weak,

I wait and bear and smile again,

Until you leave all defences down,

And I smilingly will crush you entirely,

And leave you wondering what hit you so,

And I will wait and smile again,

For others who thought me

A smiling fool.
