I did this when I was bored, over at the kid's house I baby-sit. They have a computer just like ours, so I just stucked this. And I know what you're thinking, if you've seen my other goofy stuff I do, but I have a knack for dark and mysterious poetry

1 - A Ghost's Story

Long days, Sad faces, Which face? Different people, Come to mourn, Why for me, To reconcile? I'm alone,
In only dark, With no one to see me, Why did I die? When they didn't? Silence. Why doesn't anyone answer
me? Silence forever, For now I haunt. There'll never be an end. Forever.
