1 - Another Love Poem

You ever have the feeling

That everything won't be ok?

That they won't always be there for you?

And that they don't truly love you?

Well deal with it.

Cause that's just how it is.

You trust no one,

And you'll never be hurt..... or loved.

Life's just funny like that.

Just when you find the person you truly love,

Your heart will never completely let its guard down.

It'll never truly open up to anyone.

Whether or not that means that they're not the one is unknown to me.

All you can ever do is hold on and hope for the best.

That's all the advice I can give you, and if I'm lucky

Maybe you can give me some.

If your heart doesn't let them in,

Then should you find another?
