Kawaii

a short and stupid story by me.

Once upon a time, I turned Sesshoumaru into a chibi. He was the cutest chibi in all the land. I said to him, " You're kawaii!" Now, Sesshoumaru did not like this. He also did not like me hugging him and suffocating him in my bosom. So he took out Chibiken, a legendary sword able to chibify 100 people in a single swing. He swung the mighty sword and turned me into a chibi. He then gave me a mirror and I saw my chibi self and exclaimed, " I'm KAWAII!!!" Sesshoumaru was relieved to see me distracted and with no advantage over him.

However, he did not suspect that I would still be a dotting fangirl. I crushed him once again, and we suddenly turned back to normal.

I then proceeded to run like hell as Sesshoumaru unleashed a Sourhyuhaa from Tojikin in my general direction.
