ON WITH THE FIC!

=====

"Last but not least we have a very special song for you all!" The principal said. "A vocal duet, by our very own Kagome, and a friend of hers named Inuyasha!"

The auditorium roared with cheers and applause.

"Come on, Inuyasha!" A dark haired girl in a green sleeveless dress said. "I'll say your FAVORITE three letter word!!"

"Okay!" Inuyasha said walking towards the girl, "Let's go Kagome." He was dressed in a red tank top, black baggy pants, shoes, and red hat with black and white designs on it.

"Right!" Kagome smiled. The two of them walk out onto the stage hand in hand.

Once again the auditorium sounded with cheers and applause. Kagome picked up a microphone and said, "Good evening, the song my friend and I will be singing is called, 'At the Beginning,' we hope that you enjoy this song as much as we do!"

Applause filled the auditorium once again as the sound of a piano filled the air.

Kagome waited for her part and she began to sing, *"We were strangers starting out on a journey. Never dreaming what we'd have to go through. Now here we are and I'm suddenly standing at the beginning with you."*

Inuyasha closed his golden eyes and began to sing, **"No one told me I was going to find you, unexpected what you did to my heart. When I lost hope you were there to remind me..."**

"This is the start!" Kagome and Inuyasha's voices melted together like the chords on a guitar. ***"And life is a road and I want to keep going, love is a river I want to keep flowing, life is a road now and forever wonderful journey. I'll be there when the world stops turning, I'll be there when the storm through, in the end I want to be standing at the beginning with you."***

"We were strangers on a crazy adventure."

“Never dreaming how our dreams would come true.”

“Now here we stand, unafraid of the future at the beginning with you. And life is a road and I want to keep going, love is a river I want to keep flowing, life is a road now and forever, wonderful journey. I’ll be there when the world stops turning, I’ll be there when the storm through, in the end I want to be standing at the beginning with you. I knew there was somebody somewhere. Have me love in the dark, now I know the dream will live on, I’ve been waiting so long, nothing going to tear us apart. And life is a road and I want to keep going, love is a river I want to keep flowing, life is a road now and forever wonderful journey. I’ll be there when the world stops turning, I’ll be there when the storm through, in the end I want to be standing at the beginning with you. Life is a road and I want to keep going, love is a river and I wanna keep going on!”

“Starting out on a journey.”

“And life is a road and I want to keep going, love is a river I want to keep flowing, in the end I want to be standing at the beginning with you.”

The music faded out and the auditorium erupted in cheers, applause, whistling and shouts of an encore. Kagome and Inuyasha looked at each other, smiled and bowed, they turned and walked off stage.
