Chapter 1 - 1st wish	2
Chapter 2 - 2nd Wish	3

1 - 1st wish

I walked home looking at my feet thinking about my day. "Good God! He always does this to me!" I muttered to myself. "How does he never get bored with poking me?" I asked myself. "Oh come on!" I heard an old woman say out loud as she tried to get in her house with 2 big bags in her arms making it impossible to open the door. "Here miss let me help you with those!" I exclaimed and ran over to the old woman in need. "Thank you! I would never have been able to keep those vases I just bought in one piece had I put them down!" The old woman exclaimed as she opened the door and told me to come in. "Thank you again young lady! You can just put those down in the corner over there." The old lady seemed odd to me like she pretended to need help. I set down the vases and headed for the door. "Wait! Here take this as a token of my gratitude." The old lady said as she fastened a black pearl choker around my neck. "Thanks it's really pretty! Well I have to go home now!" I exclaimed. 'Finally out of that crazy lady's house!' I thought to myself as I opened the door to my own house. I walked over to the big mirror in the living room and looked at the choker the old woman had given me closer. I soon noticed that in the middle there was a fox that had the #3 on it. "You know what? I wish I had fox ears instead of human ears and a fox tail." I said at my dog Missy as she looked me like she had just seen a ghost. "What's wrong girl something wrong with the way it looks?" I asked her. I looked back at the mirror. I shierked in horror my human ears were gone and had been replaced by fox ears and I had a tail coming out of my lower back. "OH MY GOD!!!"

2 - 2nd Wish

As I started calming down I noticed that the fox now had a #2 on it. "What is this thing? Is it cursed or something?" I asked myself. I suddenly heard a harsh laugh coming from beside me. "My word child! That's the funniest wish I've ever granted in my life!" It was the woman I had hepled earlyer that day. "What did you do to me?" I shouted.
