**Chapter 1 - The Song**

**2**

# 1 - The Song

The angel sings to me,  
A song that can not be heard by another,  
He sings for my love,  
He sings for my kiss,  
He sings for my touch,  
He sings so beautifully,  
His song brings me to my knees,  
His song brings tears to my eyes,  
His song ends,  
But his longing for me never ends,  
The angel will sing until I love him as much as he loves me,  
The angel will sing until I touch him,  
The angel will sing until I kiss him,  
But the angel knows that angels and humans can't be together,  
But the angel will not stop singing until I give myself to him,  
Until that day he will sing the song of silence.
