## 1 - Mirror

I looked in the mirror  
And who did I see

But another girl  
Staring back at me

She laughed when I did,  
Cried with me as well

She listened  
When I had stories to tell

I wanted to tell her  
How loved she was

So I opened my arms  
To give her a hug

My cheek pressed against glass  
I had one last confession

But I found that the girl  
Was just my reflection.
