Chapter 1 - Thoughts

1 - Thoughts

Thoughts Sitting at my desk in school
My mind thinks of something cool
Not a subject or a book
Not a teacher or a look

It's not a thing and not a fad
Not my mother and not my dad
Sorry to keep you guessing
But please know I'm just messing

As I think more, I can truly see
The thing I'm thinking of more clearly
I can see it in my mind's eye
And I get so happy, I almost cry

Soon this thing and I will unite
And this thing will be around day and night
This thing is called love, as you can see
Thank you for listening, signed me
