I had to add this story. It was the first of the 'annoying night' stories that I made. I made it when I was in 8th grade so it's not as good as some of my other ones.

Chazz's Most Annoying Night

Kel is a character that I made up if you were wondering. She is Jaden's girlfriend and the two of them got promoted to Obelisk blue. They got put in a room right next to Chazz and they are annoying the heck out of him.

That night Kel and Jaden rocked out to the Black Eyed Peas. Meanwhile, Chazz was sitting in his room holding a pillow over his head and trying to get some sleep. He knew he would never get to sleep. Finally he knocked on Kel and Jaden's door with his boxers and undershirt on and told them to shut up.

Sorry that's all for now. Remember I was 13 years old when I wrote this. It's part of a bigger story that I wrote.

2 - Chazz's Most Annoying Night 2

Chazz s Most Annoying Night 2

Kel and Jaden had just gotten back from being captured by some dragons and making friends. Yunae was one of the dragons. She brought them back.

When Chazz found out that Kel was back he got out his earplugs. Jaden told Yunae that if she did something good Kel would free her too. She brought Jaden back to Duel Academy. Then Chazz knew he was in trouble.

That night Kel and Jaden gave Chazz a new definition of headache. The noise went through his pillow and his earplugs. When he couldn t stand it any longer he went in to their room pillow in hand. He hurled his pillow at them and he missed. They had the biggest pillow fight you have ever seen. They gave him such a big headache that it lasted for two days. It must have been because they kept him up until 2:00 am! This is the only way I can explain what he said to them is: Beeeeeeeeeeeeeeeeeeeeeeeeeeeep! Then finally they kicked him out and went to bed.
