# 1 - My Naruto Characters

## Nia Nara

Shikamaru is Nia's older brother.

She spent time training in the sand village and the mysterious village of haunts.

Her other teammates are Kaila, Ashika, and Johan Sensei.

Hair: Short and black in a ponytail.

Eyes: Green.

Outfit: She wears the same style as her brother. She wears her headband on her arm.

Personality: Defiant emotional easily annoyed and hates anything to do with Sasuke.

Rank: Genin.

Attack: Nia uses her living darkness wolf pup juitsu to read minds and scout large areas. She uses her living darkness screaming peregrine juitsu as a shield against enemy attacks.

Village: Leaf.

Other: She had a crush on Kiba and he likes her but every time he tries to ask her out Shikamaru stops him.

Naruto and Sasuke both have a crush on her.

Almost every guy in the village has a crush on her so in that way she's kind of like a girl Sasuke.

She is secretly working with Itachi Ushiha.

## Nia Uchiha

Sasuke and Itachi are her brothers.

She has a miniature black poodle named Skittles.

Her other teammates are Gonan, Rene, and Eskerna Sensei.

Hair: Shoulder length, black, worn down (as in not up).

Eyes: Blue.

Outfit: Black hooded t-shirt, white skirt with tight black capris under it. Wears a black headband on her head (just thought I might mention it).

Personality: Defiant, mischievous, destructive, and committed to the people she loves and cares about. She is also an animal lover.

Rank: Jonin.

Attack: Nia's Sharingan are so powerful that the moment someone decides to attack her, she can attack them before they react to the thought. She doesn't want people to see that she is using her Sharingan so she blindfolds herself with her headband.

Village: Leaf.

Other: This Nia finally got Kiba to ask her out and they are such a cute couple.

Kaila

Team: Nia Nara, Ashika, and Johan Sensei.

Hair: Sandy or dirty blonde think messy strings medium length with curvy horns sticking out of the back of her head.

Eyes: hazel when she is happy and violet when she is mad.

Outfit: low cut v-neck tan top with a dirty lavender top in shreds over it. A short tight tan skirt with a violet belt. She wears her headband around her neck.

Personality: Dangerous at times but very nice most of the time.

Rank: Genin.

Attack: Kaila uses her beast within juitsu to turn into her monster form. Besides the horns and purple eyes her monster form also gives her fangs and sharp nails.

Village: Haunted.

Other: Kaila met Nia and Johan Sensei on her trip to the sand village.

Sasuke has a crush on her and openly admits it (that's a change) but Kaila claims that her heart already belongs to a handsome beast that lives in the village of haunts.

Ashika

Team: Nia Nara, Kaila, and Johan Sensei.

Hair: Short brown gets in his eyes a lot.

Eyes: Bright yellow.

Outfit: Plain black shirt with holes in it and black shorts with holes. He wears his headband on his head.

Personality: Determined, a loner dedicated enough to die for his girlfriend.

Rank: Genin.

Attack: Ashika uses his full moon jitsu to turn into a half werewolf. In his half werewolf form he has a long muzzle, pointy dog ears coming out of the top of his head, long wolverine-like (as in the X Men character) claws, a tail, and he leaps around on all fours.

Village: Haunted.

Other: Ashika was in love with a full breed named Dana. Dana was being hunted by a werewolf hunter named Dar. To protect her he trapped her inside a ring which he keeps on his person at all times. Ashika met Nia, Kaila, and Johan Sensei on a trip to the sand village.

Gonan

Team: Nia Uchiha, Rene, and Eskerna Sensei.

Hair: Pitch black, short (kind of like Gaara's)

Eyes: Dark.

Outfit: Faded light gray rag of a t-shirt with ragged dark gray shorts. He has a bandage just under his right elbow. He wears his headband sideways on his head (as in the symbol is over his ear).

Personality: Mysterious, creepy, and protective of Nia.

Rank: Jonin.

Attack: When he unwraps the bandage on his arm the lower half of his arm falls off then he uses his shadow arm jutsu to attack his enemies with the detached arm.

Village: Haunted.

Other: Gonan is a skull child, which means that he is dead. That means that you can't kill him by strangling or drowning him.

More about his appearance/ Gonan has dark gray skin all over his body except for a gash out of his skull. You can see the empty space inside his head (his brain is transparent). He also has a permanent kiss mark on his cheek. Curiously, it looks like the person who kissed him had on no lipstick, but had blood on their lips.

Rene

Team: Nia Uchiha, Gonan, and Eskerna Sensei.

Hair: Long black and white strings up in a messy loose ponytail with a ragged black bow.

Eyes: Gray.

Outfit: Ragged black and gray medieval dress. When she takes off the dress it reveals a tight tank top shirt and a tight skirt all black (she uses this outfit to fight).

Personality: Bubbly and fun to be around but clueless at times (kind of like Naruto).

Rank: Jonin.

Attack: Rene is a witch. She puts chackra into her poison and drinks them to make her stronger.

Village: Haunted.

Other: Rene, Gonan, and Nia started training when they were four years old. They were the youngest team ever to become chunin or jonin.

Johan Sensei

Team: Nia Nara, Ashika, and Kaila.

Hair: Short blue with a little ponytail in the back.

Eyes: Blue.

Outfit: The same as any other sensei.

Personality: Lenient, laid back, lots of determination.

Rank: Jonin.

Attack: No one has ever seen his attack.

Village: Leaf.

Other: Gonan found that Johan was stalking a vampire and told him it wasn't a very good idea. He ignored him.

Eskerna Sensei

Team: Nia Uchiha, Rene, and Gonan.

Hair: Dark red curly in pigtails with green bows.

Eyes: Hazel.

Outfit: Any sort of emerald green shirt with a yellow skirt. The style of her outfit changes every day.

Personality: Happy go lucky but instantly serious when someone offends her or makes her mad and she loves to read.

Rank: Jonin.

Attack: She uses the harvest moon night sky juitsu.

Village: Leaf.

Other: The only thing Eskerna loves more than reading is Kakashi. She's kind of like his own personal fan girl but he loves her back. The only problem is he can't stand how Naruto-like she is. Oh well, I guess he'll have to learn to love her for more than just her body.

\*Eskerna- KAKASHI! YOU PERVERT!!!!!!!!!!!!!!!!!!!!

\*Kakashi- Sorry Eskerna (hangs head in shame). Did you even read what Kel wrote?

\*Eskerna- You think I'm annoying, don't you?

\*Kakashi- Of course not Eskerna you're awesome! (\*Me- He's lying.)

## 2 - Sasuke's Most Annoying Night

### Sasuke's Most Annoying Night

This one started out as part of my Nia Uchiha story but I just had to do it, it's so funny. Hope you like it. Sorry if you're a fan girl of Sasuke.

That night Nia and Kiba were going on a date to some Princess Gale movie. Sasuke was stuck babysitting their dogs. We know Nia and Kiba had a good time. What we want to know is what happened to Sasuke.

The first thing that happened that eventful night was almost more than Sasuke could handle. Skittles and Akamaru decided to see how skillful he was by attacking him while he was watching TV. He wasn't ready and all of his weapons were on the table just inches away. If only he could have reached them in time. In the end Sasuke was lying there, covered with scratches and Skittles and Akamaru were sitting in front of him like they hadn't done anything wrong.

Stupid mutts. I'm going upstairs, don't do anything stupid while I'm gone.

The two dogs watched an angry Sasuke walk upstairs. They immediately began scheming. In the end they decided to invite over about one hundred of their little doggie friends for a party.

Meanwhile, Sasuke was in his room wondering whether he would live through the next assault. He stopped suddenly when he heard loud barking. He ran downstairs and saw about one hundred little dogs running around the house.

Oh no, they found the radioactive dog food and they've multiplied themselves! he cried without thinking, Wait, what am I saying, those dogs look nothing like Skittles or Akamaru. ALL OF YOU, GET OUT NOW!

That was it, Sasuke had finally lost it. All of the little dogs bolted out the door as he made his way down the stairs. He grabbed Skittles and Akamaru when they tried to make their escape. The two dogs whimpered innocently once again and looked at Sasuke with big puppy dog eyes (duh, they were puppies). He set them down next to the TV and took his previous position on the couch.

They made Sasuke watch what they wanted to watch on TV. Finally, he just gave up and called Naruto. He was no help at all. Sasuke believed that he was safe to fall asleep with Naruto watching the troublemakers. When he woke up Naruto, Skittles, and Akamaru were in the kitchen making dog food sculptures and he was watching blues clues. He quickly turned off the TV and got in the psychotically mad disposition that he had just created.

NARUTO, YOU IDIOT, LEAVE NOW! he screamed at the top of his lungs.

Naruto bolted out of the house faster than the little dogs did. Sasuke was about to attack, kunai in hand, when Nia and Kiba finally got home. He noticed how odd he must have looked. His hair was standing on ends, his bloodshot eyes with dark lines under them looked psychotic, and he was about to attack the two poor little doggies. Nia was furious.

SASUKE UCHIHA, WHAT DO YOU THINK YOU ARE DOING WITH THAT KUNAI!?! Nia cried.

Those stupid mutts have been misbehaving all night! he said pointing to the two cute, innocent little doggies with invisible halos above their heads.

Sasuke, are you mentally well? Skittles never misbehaves when she's alone.

Just by herself she's fine, but put those two together and you've got trouble!

Are you trying to say that Akamaru is a troublemaker? asked Kiba.

Uuuuh&

Don't worry about it Kiba, I'll be right back, said Nia forcing her brother up the stairs, You need bed rest.

There's nothing wrong with me, it's those dumb dogs!

Just be quiet and go to bed.

Nia led Sasuke into his room. There his mind finally went. We don't know where it went, it just went.

Where am I? he asked.

I'm more worried about the place where your mind went, just go to sleep and you'll be well in the morning. Nia said quietly.

Nia closed the door and ran downstairs where Kiba was staring blankly at her.

What happened Nia? he asked.

Sasuke lost something important but I'm sure he'll find it again in the morning, she laughed.

So he's finally snapped huh?

He'll be alright.

In that case, we're going home. Come on Akamaru.

See you later.

### 3 - Stronger

After being totally schooled by Itachi, Sasuke is discouraged.

Sasuke: Why must he always be better than me. He's faster than I am. He's stronger than I am. What am I doing wrong?

Nia Uchiha: I'll tell you what's wrong, you've got the words mixed up. You forgot harder. That should be first.

Sasuke: That doesn't even make any sense. Why say harder, better, faster, and stronger.

Nia Uchiha: Work it make it do it makes us harder better faster stronger. (Plays Stronger by Kanye West)

Sasuke: Ugh! You aren't helping at all! Are you even listening?!

Nia: (Still listening to Stronger and not paying attention to Sasuke) Huh?

Sasuke: How are you stronger than me?!!!!!!!!!!!!!!!!!!!!!!

Itachi: Foolish little brother! We are both weaklings compared to Nia!!!
