This is another one of my poems. I've been feeling a little depressed lately and this poem will explain why. You can answer the question towards the end if you want to. I hope you enjoy it. It's also written in song form.

Chapter 1 - Listen

2

1 - Listen

Do you ever want to be heard?
Do you ever want someone to listen?
Do you ever think that there's someone out there who wants to be heard?
Do you think that there's someone out there who wants to listen?

Maybe I'm one of those people
Someone who strives to be heard, but never is
Someone who strives to be listened to, but only listens

Do you know someone who wants to be heard?
Do you know someone who wants others to listen?
Do you know that feeling?
Do you understand?

Maybe I'm one of those people
Someone who strives to be heard, but never is
Someone who strives to be listened to, but only listens

I want my voice to be heard, but no one cares to listen
I have a voice too
But no one listens
Why do I try?
What's the point?
I'm asking
Will you listen?

Maybe I'm one of those people
Someone who strives to be heard, but never is
Someone who strives to be listened to, but only listens

Listen, a voice is calling....
