This is a poem I decided to write for my friend YamiRevea as a Christmas gift because she's one of the best friends I could ever have and I am unable to get her a physical gift. Hope you like it Jenny-chan!

Chapter 1 - Shining Star

1 - Shining Star

Hidden by clouds
You glow in the night
Hidden by the light of the rising sun
You shine as bright as can be

You're there when I need you
You light my way
You guide my path
You know exactly what I need when I need it

It may be a metaphor
It may not even be true
But still
You're my shining star
