This is a poem I wrote for my real life friend, Songwriter, because of all the stuff we've been through together this last school year. Enjoy!

Chapter 1 - Hold On

2

1 - Hold On

The world is cold
The world is dreary
No love
No affection
As cold as ice

It hurts
It causes you pain
But you can't let go
Not yet
We still need you

Hold on
Hold on
Hold on to the hope you have
Hold on
Hold on
Hold on for us all

There's no one who needs you more than me
I know you need to leave
But you can't
Not yet
I still need you

Hold on
Hold on
Hold on to the hope you have
Hold on
Hold on
Hold on
For me....
