Ok people this is the story of my OC!!!! And the dude named Gyatsu (G-ee-ot-sue) is suppose to be...
Miroku's daddy, cause I don't know his name... but if some how you do please tell me his real name!!!!!!
Don't ask how I got the name; I think it was the name of the monk who taught Aang Air bending.... But
who knows I could be wrong. Any who enjoy!!!! Oh and I don't own anything from Inuyasha... Though, I
know I'm not the only one that has said this but, that would be cool!!!!

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Inuyasha, how could you the jewel for such a thing,” Kikyo gasped as she picked up the jewel from the pool of blood.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

She heard no response and looked up at him; the half-demon had a peaceful expression on his face, which puzzled her. The sound of a girl crying caught her attention. Slowly she pulled out an arrow and aimed at the source of the sound. Another half-demon was sitting up there. She had witnessed everything, from the beginning to the end, and her mind could not comprehend, what had just happened.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Kiaya, this is your fault, you should have never told him to take the shikon jewel, and you shouldn't have tried to lie to me,” Kikyo said, addressing the girl.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Tell me Kikyo... tell me why I would've told him to take the shikon jewel, and betray you, I know we don't get along but I would never have wanted this for you. And as for me lying to you, I told you the truth; Inuyasha was not the one who attacked you,” said Kiaya, her voice rising.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“You are in no place to lie to me again; do you honestly think I would take the word, of a worthless half-demon priestess?” Kikyo yelled.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“No I don't think you would, if you did, you wouldn't be dying. I never told him to take the shikon jewel, why would I? I gave you the shikon jewel, because I was unable to keep it, I gave it to you to keep it safe,” Kiaya whispered in a quavering voice, “But you like to over look that fact.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“You know I will never trust you, so why try. I plan on making sure you never set foot in this village again,” Kikyo said.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“How do plan on doing that?” Kiaya questioned.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Kikyo just smirked and walked toward the villagers. “Kiaya is the reason for all of this, she is the reason why I'm close to death,” Kikyo told them.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

All the villagers looked up at the tree and saw her sitting there. "Kill her!"

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Kiaya stood up and ran leaping from branch to branch. A trail of tears was all left behind. She stopped at a cave that was past the forest. She decided to stay there, so she walked in, but before she even had both her feet in the cave, a demon grabbed her from behind and pinned her to the closest tree, with his hand at her throat.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

"Who are you, and what are you doing at my home?" snarled the demon.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

"My name is Kiaya, and that's all you need to know, now let me go," she demanded.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Wait; are you the half-demon priestess Kiaya, or just Kiaya?”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Half-demon priestess, and how do you know that?”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Well practically everyone knows who you are, and you killed my cousin.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Oh, sorry.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“I don't care he was a damn bastard.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Oh, that's nice... by the way you never told me your name.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“I'm Koga.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Well Koga, would you mind letting me go?”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Koga let go of her, and she rubbed her shoulder. She could feel tears coming to her eyes.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“I'm fine,” she said as she looked away.

Kiaya and Koga walked into the cave and fell asleep. The next morning Kiaya woke up first, and then shortly after was Koga.

Kiaya ran off towards the west, she planed to find her older brother Sesshomaru.

<u>35 YEARS LATER</u><u></u>

</p></div>

<p><div name="Normal" align="center" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: center; line-height: 4.166667mm; color: Black; background-color: White; ">

<u></u>

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

A village was being attacked by a swarm of demons. Kiaya came running out of a small hut, right into the middle of the confusion. Her back was to a monk, who was in a ready stance.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Gyatsu, are you ready?” Kiaya asked the monk, panting and holding her sword, which was strapped to her back.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color:

White; ">

"I think the question is are you ready, Kia-..... Miroku go back inside the hut," Gyatsu yelled at his son.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color:

White; ">

"I'll get him, Gyatsu."

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color:

White; ">

Kiaya sprinted towards the little three-year-old and picked him up, and ran towards the hut she came out of. She dropped him off there and grabbed his shoulders.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color:

White; ">

"Miroku stay in the... unless the hut is burning down, do you here me?"

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color:

White; ">

Miroku nodded. Kiaya once again ran outside to her place.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color:

White; ">

“Ok, Gyatsu, on the count of three... one two three-.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Wind tunnel,” Gyatsu yelled as he removed the rosary that kept his hand sealed.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Loud water!” Kiaya yelled at the same time, swinging her sword in a circle above her head.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

They destroyed all the demons. The ones that remained on the ground were sucked up by Gyatsu's wind tunnel. Miroku ran as fast as he could towards his father and grabbed his leg. Gyatsu smiled down at his son and picked him up. Kiaya looked at them and smiled.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

About a week later Kiaya went to go look for some herbs that she could use for injuries. (Ok just to tell you right now she's a mortal, and when she's a mortal she's a priestess, she has this little ribbon thing that is like a seal for her demon blood, she ties it over her ears and she's a mortal... I know strange.) Miroku followed her outside and walked by her.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
"Hello Miroku, would you like to help me get some herbs?" Kiaya asked him.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
"Yes please, Lady Kiaya."
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
They walked off to an herb garden that was more like a field than a garden. Kiaya showed him which herbs she needed, and let him go off and pick some. About 30 minutes after picking herbs she heard a scream, Miroku's scream. She dropped the basket she had and sprinted as fast as she could towards his scream.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
She arrived at the see only to see a man holding Miroku by the scruff of his neck. She could sense his demonic aura, she knew immediately it was Naraku.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
"Naraku let him go!" she screamed as she ran towards them.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Heh, Kiaya, if you want him come and get him.” Naraku snarled.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

She reached them and slapped Naraku across the face. He dropped Miroku, and she went to grab him, when Naraku slashed her back. She let out a gasp.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Miroku run to the hut and tell your father to come here,” Kiaya panted.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Miroku nodded holding back tears. He got up and ran towards the village.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“How pathetic to be protecting a mortal like that,” Naraku growled.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“What's pathetic is how you're trying to eliminate a future threat to you, when he is just a child,” She snarled back at him.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Do not call me pathetic, you are the one who walks around as a mortal most of the time,” He yelled, slapping her across the face.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

She collapsed onto the ground, her face now bleeding. She stood up and staggered a little. She summoned all her strength and punched him as hard as she could. His head went back, and his nose started to bleed. She kicked him in the stomach then face, in doing this her ribbon came out, and her hair started to change from black to a silver blue color, two dog ears appeared at the top of her head, and she started to grow fangs and claws.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

She smirked at Naraku who had a scared look on his face, and slashed his face, right down the left side. Naraku stopped looking at her and grabbed her by the throat, almost crushing her windpipe, and then a barrier pushed him off his feet. He let go of her throat but his nails scratched her throat. He hurtled toward her and knocked her off her feet; he grabbed the right side of her face, and bit her on her neck. She screamed, and clutched her neck. He turned and ran out of site, shortly after she passed out.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

She woke up and later that night. Her neck was still hurting her; it felt like the mark was burning her. She sat up and started rubbing it. Gyatsu walked into the room, and sat down beside her.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

“I'm sorry I didn't get there fast enough, if I had this never would've happened,” Gyatsu said looking down at the floor.
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

“Gyatsu it's not that big of deal, I'm fine.”
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

“Not that big of deal, Kiaya do you know what he just did?”
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

“Ya, he bit my neck.”
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
"No, I'm sorry, but he just made a prophecy come true, now you're the one he chose to have a chance of killing him on your own, and in doing so, you'll have to die."
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
"Then I'm going to have to leave."
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">
"What! No you don't have to."
</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Yes I do, if he's going to keep on coming for me, then I'll put you and Miroku in danger, I'm leaving tomorrow.”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

The next day came within hours of their conversation. Kiaya got up and went into Miroku's room; she shook him a little so he would wake up. He opened his eyes a little, then yawned and sat up.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

She gave him a hug the stood up and left his room. She found Gyatsu at the door, waiting for her.

“Gyatsu, you are one of the few mortals who have accepted me being a half-demon, and you're one of my best friends. I'm gonna miss you.” She said and gave him a hug.

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

She walked out the door and towards the forest; the wind blew her hair off to the side, revealing a mark of a spider, right where Naraku had bit her.

2 - meeting again

Ok people we left off at Kiaya leaving Gyatsu and the whole prophecy thingy!!! And just to tell you Kiaya is good friends with Koga, and Sesshomaru, she did in fact find Sesshomaru, and lived with him for a couple of years. When she was living with Sesshomaru she met Haku, another OC& and he s a full-demon, and they kinda like each other& yes I m putting in a love interest!!! Um& I guess that s it& read on!!!!!!

Inuyasha and the gang were heading back to Kaede s village. They had just come from an encounter with Koga, and with Inuyasha being his usual jealous self he was not in a very good mood. Inuyasha caught whiff of a sent that was strangely familiar.

That sent, who is the owner of it? Inuyasha thought.

*****Back at the village*****

Kiaya was in her human form, and was battling a demon. Kaede had asked her to come and kill the

demon, because Inuyasha and the group were out on a lead about the shikon jewel.

It had started to rain, and Kiaya was being soaked, so wanting to get this over with, she raised her sword above her head and twirled it around, yelling Loud Water as she did. Immediately a blue shock of energy hit the demon, and killed it. She sheathed her sword, and started for Kaede's hut, which was on the other side of the village, just as Inuyasha, Miroku, Sango, Shippo, Kirara, and Kagome reached the hut.

Kaede, it's good to see you! Kagome said, running up and hugging the old woman.

As it is to see you, my child, Kaede replied, hugging her back.

Inuyasha walked to the wall and sat down with a Feh, and Miroku, being Miroku, groped Sango's butt, Sango whirled around, blushing furiously, and slapped him hard across the face, just as Kiaya walked into the hut. She raised an eyebrow at the amusing sight before her, and shook her head, immediately recognizing Miroku. She turned to where Kaede was.

Kaede, I killed that demon for you, She said.

Ah, thank you, Kaede said, slightly bowing towards her.

Miroku squinted, looking at Kiaya as though he was trying to figure something out. He kept on staring intently at her, until she turned to face him, with a warm smile on her face, then he recognized her.

Lady Kiaya? he said, asking more than addressing.

Yes, Miroku?

So you remember me, or so I m assuming, He said smiling slyly.

I remember you perfectly, but the main thing that gave you away, is you have the same habit as your father, She replied, laughing slightly, as he gave her a cocky grin. She looked back over to Kaede, but this time she noticed someone else looking at her, she turned her head towards the person, and had to stifle a gasp when she saw them. There sitting against the wall was Inuyasha. At first she felt happy, but it quickly changed to anger, as she thought about how he fell in love with her enemy, and didn t do anything when she attempted to kill her. She glared at him, and he glared right back, but he was unsure of why, he thought he didn t even know her, how mistaken he was.

Kaede saw the glaring match, and quickly stepped between them, and looked at Kiaya sternly, knowing that she was the one more likely to lash out at the other. Kiaya stopped glaring at him, and looked at Kaede, a questioning look in her eyes. Kaede only nodded, confirming her thoughts. She smiled and gave a bitter laugh. She turned back to Inuyasha, and forced a warm smile onto her face, determined not to let him recognize her. He looked confused, but it shortly changed to annoyance, she could tell his temper was boiling.

Hey! You were just glaring at me a second ago, and now you're all smiley, what's up? He growled.

Oh, I'm sorry, I just thought you were someone else, she replied, her voice sweet but dripping with venom.

He looked at her, and let out a small Feh, and looked the other way. She looked over to Kaede, and mouthed, How? Kaede gave her a look telling her that she would explain later. Kiaya nodded, but as soon as she did, her ribbon, already loose from her battle, fell out. The change was immediate, her hair turned silver, and her grey eyes turned back to their original amber. The sounds of everyone breathing magnified, and she heard a sharp intake of breath come from Inuyasha.

3 - Kaori

Disclaimer: I don't own Inuyasha, so& read the chapter!

Kiaya could feel everyone's eyes on her head, which was hung low, so that no one could see her face. She saw her ribbon on the floor, and bent down to retrieve it. She could hear Inuyasha growl and smirked to herself.

Damn! All the years I hid my identity from him, and now he knows about me turning into a mortal, ah well, he was bound to find out anyways. She thought to herself.

She looked back up at all of them, and wasn't surprised to see that neither Kaede, nor Miroku looked at the very least surprised. Her amber eyes reflected identical ones, as she turned to meet Inuyasha's stunned gaze. There was an eerie silence, and Kaede looked nervously between the two of them, expecting Kiaya to start yelling at him, but it never came.

Kiaya? Is that you?

Who else would it be? she said skeptically.

Miroku took turns at examining both of the half-demons, his mind made the link, but he was not sure if he was right. Um, how do you two know each other? he asked, hoping that his hunch was wrong, and that Inuyasha was not the brother who she seemed to hate.

Inuyasha stopped staring at Kiaya, and turned to Miroku, he opened his mouth to reply, but Kiaya interjected. Well Miroku, don't you see the family resemblance?

Everyone, except for Kaede gawked at them. Kiaya ignored this and turned to Kaede.

Kaede, since everyone now knows who I am, or actually what I am, can you please tell me why Inuyasha isn't stuck to the stupid tree with an arrow through his heart? Kiaya asked, with a bored expression on her face, which could rival that of Sesshomaru's.

Inuyasha glared at Kiaya, for her remark. She noticed this and looked over at him with amusement written all over her face, which earned a growl from him. She chuckled softly, and turned her attention to Kaede once again.

Kiaya what happened to you? asked Inuyasha softly.

Inuyasha, people change after fifty years, I m no longer the twin sister you once had, she replied quietly so that only he could hear her reply.

Kaede had a moment of silence before answering Kiaya s question. Lady Kiaya, Inuyasha was freed from the eternal sleep my sister placed on him by her reincarnation, Kagome, Kaede said gesturing towards Kagome. Kiaya turned to Kagome, and made a small bow, muttering something that sounded like a thank you.

Thank you Kaede, for telling me this, and thank you Kagome. I must leave now; I have to continue my journey. Good seeing you Miroku, Inuyasha. And it was a pleasure meeting you Kagome, and I m sorry I never learned your name... Kiaya said addressing Sango.

Oh, um, it s Sango, she replied hesitantly.

Well it was a pleasure meeting you Sango, if you ll excuse me now-

Why are you leaving again? asked Miroku quietly.

Her head turned sharply to look at him. I m sorry Miroku, but I don t think I can stay hear too long, far too many bad memories for my taste.

But you could travel with us, I'm sure. You share the same goal as all of us, to destroy Naraku, We could use your help, Miroku said.

Yes, we do share the same goal, but I would only put you all in danger, Naraku would go to any length to destroy me.

Lady Kiaya, he seeks to destroy us too, I don't think another person would make a difference.

I agree with ye, Miroku, Lady Kiaya's abilities would help ye all greatly, Kaede interjected.

Um, I don't think Inuyasha would like that, Kiaya said looking over at Inuyasha.

He smirked, he decided to torture his poor twin, I wouldn't mind it at all, Kiaya, Inuyasha said trying not to laugh, at her bewildered expression.

Um, what about the rest of your group, I'm sure they want a say in this, Kiaya said looking for a way out of this.

I don't care; it would be awesome to have another girl in the group! Kagome exclaimed.

I agree with Kagome, it would be great to have another girl in the group, Sango replied.

What about the little fox, I'm sure he wouldn't want another half-demon in the group, Kiaya said looking at her last hope.

Well, seeing as you don't seem to be anything like Inuyasha, I don't mind, and my name is Shippo, replied Shippo. Kiaya seeing no way out of this agreed.

They stayed in the village for a week, during that time Inuyasha and Kiaya cleared everything up. Kiaya spent time getting to know Sango, Kagome, and Shippo as well. Miroku often talked to her, and tell her the story of how they all became a group.

The next week, Kiaya asked if they could go to her home so that she could tell the villagers that she would be away, and for other personal matters, that she would not reveal. When they arrived just outside her village, the gang met up with someone they did not expect to see, Sesshomaru, a dog demon, and a little girl with dog ears. The first to see Kiaya was the little girl, who came running up to her with demon speed.

Mommy! the little girl yelled as she jumped into Kiaya s waiting arms.

Mommy?! everyone asked.

Yes, this is my daughter, Kaori, and the dog demon is my mate, Haku, Kiaya replied, as Sesshomaru, and the Haku started walking up to them.

Hello, love, said Haku, giving Kiaya a chaste kiss.

Hello, dear, Kiaya replied, gracing him with a smile, before turning to Sesshomaru, Hello, Sesshomaru.

Kiaya, Sesshomaru replied, giving her a curt nod.

Mommy, Hiroshi is in the village, I was going to play with him, but I had to come greet Uncle Sesshy with daddy, so can I go play with him now? Kaori asked.

Sure, go ahead, Kiaya said putting Kaori down. Kaori ran off in the direction of the village.

When she was gone, Kiaya looked between Sesshomaru and Inuyasha nervously, who were now glaring at each other. There was a long uncomfortable silence, filled with tension, until Kagome spoke up.

So, Kiaya, you're a mother? Kagome asked.

Yes, Kaori is four years old in a month, Kiaya replied, not taking her eyes off of her brothers.

Who's Hiroshi? Miroku asked.

He is the son of the Lord of the North, and a good friend of my daughter, Haku replied, turning from the siblings to Miroku, I'm sorry, I don't believe I heard your name.

My name is Miroku, and this is Inuyasha, Sango, Kagome, Shippo, and Kirara, Miroku replied, gesturing to them each in turn.

So, Kiaya this is your twin brother? Haku asked his attention turning to Kiaya.

Yes, Haku, that is Inuyasha, Kiaya replied, now walking up to her two brothers. She stood between them, with her arms out. If you two start fighting, so help me kami, I will kick both of your asses to hell and back, Kiaya threatened in a deadly tone, making them stop glaring at each other, she saw this and started to smile, Good, now lets go to the village.

Haku started chuckling, at her out burst, while everyone else just stared at her like she was growing another head. Sesshomaru s eyes softened slightly, when he saw his sister, but went unnoticed. Kiaya and Haku lead the way to the village with everyone in tow.

When they reached the village, Inuyasha realized something.

Wait! Kiaya, if Kaori is your daughter, than wouldn t that mean she s my niece? He asked. **(A/n: Isn t he smart?)**

Kiaya hit her forehead with her hand and turned to face Inuyasha.

Did you really just realize that? She asked still bewildered.

Um...yeah.

Ok, well then, yes, Inuyasha, you have a niece.

Kiaya turned back around and started leading the group toward her home. They passed many villagers and each of them bowed their head respectfully to them. Finally they reached the largest home in the village, and saw Kaori running around with a young dog demon.

Hello, Hiroshi, how are you? asked Kiaya.

Fine thank you, Lady Kiaya, the young boy replied after he stopped running around, only to be tackled down by Kaori.

Ha! You re it! She exclaimed jumping up and running away.

Kaori that wasn t fair! He shouted picking himself up and chasing after her.

The group watched the two young demons for a while, then proceeded into the house. The shouts of the children could still be heard when they reached the sitting room. They all sat down, and Kiaya stared at Sesshomaru expectantly. When he did not speak she sighed and started the conversation.

So, Sesshomaru, what are you doing here, I highly doubt that you are here to visit me and my family, she said, eyeing him suspiciously.

Indeed, Kiaya, I am in need of your assistance. He replied looking straight into her eyes, and allowing her to see the concern.

What of my skills do you require? And tell me where s Rin?

Rin is at my castle in the west, she has nothing to do with what I require. What I require has something to do with Naraku. I will speak to you in private later, considering the company we are in. He replied coolly.

Hey! What do you mean by the company you are in? Anything that has to do with Naraku, you can say in front of us! And why are you dragging Kiaya your scheme, Sesshomaru? yelled Inuyasha from the corner he was sitting in.

Inuyasha, you know that Sesshomaru does not trust you, so that question was pointless. Secondly he can not say some things about Naraku in front of you; partly because there are some things you are better off not knowing. And thirdly, he is not dragging me into his scheme; he is merely asking of my assistance. I know you two don t get along, but I get along fine with Sesshomaru and he wouldn t drag me into anything. Kiaya replied coolly not meeting Inuyasha s gaze.

Kiaya! How can you support him? Inuyasha asked bewildered.

Silence, Inuyasha! You do not know Kiaya at all, so don t question her actions. Sesshomaru stated firmly.

Don t know her!? I probably know more about Kiaya than you do. When did you become so close to her

Sesshomaru?

Both of you shut up! I thought you two agreed not to fight. And Inuyasha, you've been sealed to a tree for the past fifty years, and even before that you didn't know I was a priestess, so don't think you know me. Now Sesshomaru, shall we? Kiaya asked gesturing to the other room. Sesshomaru nodded, and they both proceeded into the room.

Haku cleared his voice then tried to change the topic.

So, Inuyasha? he started.

What!? he retorted.

Inuyasha! Don't be so rude. Miroku admonished.

Feh. What do you know monk? And there's something that I've been meaning to ask you. How did you know Kiaya? Inuyasha asked eyeing him.

Kiaya was a friend of my father's, and she lived in our village for a while and helped raise me till I was three, Miroku replied nonchalantly.

Why only until you were three? asked Sango.

Because Naraku attacked, she saved my life from him, and nearly died. He said looking down at the floor.

What! Naraku attacked Kiaya? Inuyasha asked.

Well, yes, didn't you know that Kiaya is Naraku's main target? asked Haku.

S-she is? Why? asked Kagome.

Well, originally she was the one who possessed the Shikon no Tama, but she had to give it to Kikyo, because at the time she was traveling with Inuyasha. He replied.

I didn't know that. Miroku interjected.

No, you probably didn't, but I think there is something you do know about her, do you remember why she left, besides the fact that Naraku attacked her?

Yes, but I don't think I should say... Miroku replied.

Just the fact that you know is enough. Haku said.

What are you all talking about? asked Shippo.

Yeah, what does Miroku know that we don't? asked Inuyasha.

Why Naraku is really interested in Kiaya, dog-shoot, a voice said from the entrance.

Kouga, why are you in my house? asked Haku nonchalantly.

I came to talk to Kiaya, I found out something that she really needs to know.

Sorry but she's talking to Sesshomaru, but feel free to wait. Haku replied nonchalantly.

Alright, I'll wait. Kouga said, sitting down, So Haku, how has your land been doing, any wars starting?

Yeah, a war is starting, I'm gonna have to go into battle soon.

What are you doing here, Kouga? snarled Inuyasha.

Shut up dog-shoot! Anyways with who is it this time, Haku?

A couple of dog demons farther to the east, they don't seem to like the fact that their Lord has mated with a half-demon and has a child.

If they don't like Kiaya, you know I could always kick their fucking asses.

Thanks for the offer, but I can handle this fine, it's not like it's the first time.

You didn't tell me about this Haku. Kiaya said emerging from the room with Sesshomaru behind her.

Because you don't need to worry about it, He replied pulling her into his lap.

I know I don't, she replied, Hello Kouga, long time no see. She jested.

I know two years is such a long time. He scoffed.

Yes it is, but what's up? She asked.

Hey! How do you know him? growled Inuyasha.

Shut up asshole, I've probably known Kiaya longer than you, unless you've known her for over fifty

years!

Um, Kouga, how the hell do you know my brother?

Wait, Kiaya don't tell me this is the brother that got stuck to the tree.

It is, anyways how do you know Inuyasha?

He travels with *my* Kagome, He replied.

Yours? Why you mangy wolf, Kagome is nobody's. Inuyasha snapped.

Kagome, have you given your consent about this subject? asked Kiaya.

Um, well no... Kagome replied hesitantly.

Well, then give it now, or fear being claimed by Kouga unwillingly.

Miroku leaned over to Sango and whispered, I'm glad that she's trying to straighten this out.

Sango nodded in agreement and continued watching the interesting episode.

Um... Kouga you're my friend and all- She was cut off by Kouga.

I know what you're going to say Kagome, I love you too. He replied cockily.

Kouga shut up and don't jump to conclusions, Kiaya said in a bitter-sweet voice, as Kouga swallowed rather loudly. She nodded for Kagome to continue.

Yeah, um, I'll tell you later, she replied quickly.

I bet Kagome doesn't love you! Inuyasha said smugly.

INUYASHA, SIT BOY! Kagome shouted.

Kiaya fell off of Haku's lap laughing at the squashed figure of her brother. Sesshomaru who was off in the corner, smirked, which didn't go unnoticed by Kaori who sprinted into the room after hearing the crash, followed by Hiroshi.

Mommy look! Uncle Sesshy is smirking! Kaori exclaims while running over to her uncle, and tackling his legs with a hug.

Uncle Sesshy? Damn Sesshomaru you're getting soft. Kouga scoffed.

Ridiculous. Sesshomaru retorted calmly.

Kouga, it's kinda hard for a three-year-old to pronounce Sesshomaru, so give him a break. Haku replied. Kaori looked on with a confused look on her face. She sniffed the air and smelled something familiar, a relative. She looked around the room searching for the person, and her gaze fell on Inuyasha.

What're you lookin' at kid? Inuyasha asked roughly. She giggled and detached herself from Sesshomaru's legs and tackled Inuyasha with a hug.

Uncle Ears! she exclaimed.

Kiaya doubled over in laughter again, and was joined by everyone else, except Sesshomaru.

Inuyasha, looks like you have a new name. Miroku chuckled.

Feh. Shut up monk! Inuyasha shouted, trying to get Kaori to let go.

Kiaya chuckled at his pathetic attempt, and walked over to them. She held out her arms and Kaori detached herself from her uncle and jumped into her mother's arms. Kiaya stroked her daughter's blue hair and turned to face Kouga.

Ok, since that's over with, what do you need to talk to me about, Kouga? She asked.

Naraku's gathering an army against you, He blurted out.

He's only just starting? Kiaya asked.

Well, yeah, why? Were you expecting him to start this beforehand?

Yeah, it thought he would've done this ages ago.

You're not questioning how I know this?

No, why would you think I would question you?

Well mutt face over there does, Kouga replied jerking his thumb towards Inuyasha.

Well, I'm not Inuyasha, Kiaya replied.

Thank Buddha for that, Miroku breathed.

What was that monk? asked Inuyasha.

Well, if Lady Kiaya was like you that would definitely take away from her beauty. Miroku said.

Hey, watch it! Haku growled, placing his hand around Kiaya s waist possessively.

Daddy, who is this monk? Kaori asked, looking up at her father from her mother s lap.

This is Miroku, your mother used to take care of him when he was little.

He seems nice, I like him, along with the kitsune, and the two pretty ladies! Kaori exclaimed.

Sango and Kagome blushed slightly, while Miroku grinned at Kaori.

Kiaya, what did Sesshomaru want with you? Inuyasha asked, changing the subject to something important.

Too get back the arm that you took from him, she replied casualy.

What?

You want to help me?

No.

Too bad, you re going to.
