Chapter 2 - Choosing a Chocobo	3

1 - The Chocobo Lisence Test

Question 1: This is, like, the most basic thing ever. How well can you see?

Question 2: Are you afraid to ride a 10 foot tall bird that can run up to 180 miles per hour?

Question 3: The 4 important rules of Chocobo riding:

1-No humping the Chocobo.

2-No hurting the Chocobo.

3-No trying to piss the Chocobo off.

4-No leaving the Chocobo unattended for long periods of time.

Do you understand ALL of those rules?

Question 4: Are you able to deal with the Chocobo theme song whenever you ride it?

Question 5: Do you have any disabilities or something like that which we should know about?

2 - Choosing a Chocobo

Now, you get to choose what kind of chocobo you want.

1: You must choose what your chocobo's body will look like.

Choose:

Type-A

Type-B

Type-C

Type-D

2: Choose the color of your chocobo. If you chose Type-A or Type-D, choose a second color for the ends of the tail, crest, and wings.

3: Your chocobo's eye color.

4: Your chocobo's gender and name.
