1 - Melanie

Okay, people, I know that most of you are going to yell at me for not using the original manga names, but really, it doesn't matter. As long as we know who we're talking about, why does it even matter? I know perfectly well that...

Len+Ren= 1 person

Zeke+Hao= 1 person

Trey+HoroHoro= 1 person

and so on. I KNOW, okay? So PLEEEASE don't comment with Hate notes. I hate Hate notes.

My Shaman King

Melanie Asakura is Yoh's sister; one year younger than him. She is 13 years old. She has long brown hair which is always up in pig tails. Think Marion, from Zeke's team. But the hair bands are pink and black. She has brown eyes, and just like her brother she has a big taste for music. She has always been friends with Tamara and Anna. In fact Anna was only nice to her. Trey, Len, Morty, Lyserg, Jocco and Rio are her friends as well. Oh and not forgetting Pilica. Len sometimes stays with her and the others, but he lives with his sister. Yoh and Anna are now married. She did go to the second round, and Yoh is now in your debt, being that you saved his life against Zeke's. And she goes to school with Yoh, Anna and Morty.

Ghost: Lexi, a water spirit. Blue hair, blue eyes and black wings.

Start story: It was now the weekend. It had been a tough week. Melanie had exams coming from all different directions. She hated year 9 SATS, but she didn't have long until she was in year 10, and had no exams until year 12. Oh, well. She was deeply sleeping. In fact, she was hoping to stay asleep until 12:00 PM, but that all changed when she had icy cold water thrown over her. She jumped up and saw Trey standing over her with a empty bucket. Unfortunately for Trey, she was nothing like her older brother. She wouldnt be calm. In fact, she wanted to kill him.

(Mel) You are so dead! No one wakes me up before 12!

She then quickly got out of bed. Trey made a worried look and ran out of her room as she chased him down the hall.

(Mel) Trey Racer, when I get my hands on you!

She was about to grab him until she felt herself being pulled back. She looked down and saw two strong arms holding her by the waist. She looked over at where you last saw Trey, but it was no use. He was gone. She then looked up and saw a pair of gold eyes looking down at her.

(Mel) Why do you always have to ruin my fun?

(LEN) I only do that because its my job to terrorise Trey.

(Mel) Not anymore!

(LEN) If you say so.

(Mel) Are you going to let go off me?

(LEN) Well I guess I should because you want to kill Trey, but who would we terrorize next?

(Mel) Good point.

Len then realised his grip around her waist and let her go. She then saw him walk back to his room. She was now standing in the middle of the hall on her own looking like an idiot. But she couldn't help it. She didn't know why but every time she saw Len she would always get this funny feeling in her stomach. And her legs would go weak. She wondered if she liked him, but she couldn't. He was her brother's friend and her friend. There was no way she could fancy him, was there?

2 - Part two

YEEEEAH here it is....

P.O.V. = Point of view

Normal P.O.V

Melanie was relaxing in the hot springs with Tammy, Anna and Pilica. All of the guys were out. Melanie was still confused about Len. She didnt want to ruin her friendship with him. What would it be like if he didnt feel the same way? It would be so awkward around the house, Yoh and Len's friendship would break. What if he thought she was ugly? All these thoughts were rushing so fast in her head, she forgot about the girls. But she was soon bought back by Anna slapping her around the head.

(MEL) Ow! That hurt!!

(ANNA) Well you should of paid attention. I did say that I would hit you, if you didnt answer me.

(MEL) Well what were you saying then?

(ANNA) What happened this morning with Trey screaming his head off?

(PILICA) Yeah, you well badly scared my brother.

(MEL) Oh, well he threw icy cold water at me. I then tried to kill him, but Len stopped me.

(TAMMY) That seems a bit harsh.

(MEL) Well, I think getting woken up before twelve is a bit harsh, and even Anna doesnt even do that. Anna then slapped her again.

(MEL) Ow! That HURT!!

She then got out of the hot springs.

(MEL) Im going back in now. Anna's being mean.

Melanie went back inside and went straight to her room. She was friends with Anna, and everyone knew that she was mucking about saying that she was being mean to her, but she wasn't exactly in the mood to deal with Anna. She was just so confused about Len. One side of her head said they were meant to be, and the other side said that they're only friends. And in the end, she agreed with the side which said they were only friends.

why would he like someone like me, when he can do so much better

Lens P.O.V

I was now back at home. I really needed to talk to Jun. As I entered the living room I saw Jun reading. But once she heard me she looked up and smiled.

(JUN) I thought you were staying at Yohs?

(ME) Oh, I um needed some advice.

(JUN) About what?

(ME) Um. Its about.a girl. Melanie in fact.

(JUN) This is perfect. I take it you fancy her? And want to ask her out?

(ME) Well, Im not sure

(JUN) What do you mean your not sure.

Jun then put the book down. I then sat down on the chair opposite her. I then looked down at the ground. I couldnt believe I was having this conversation with her. Why? Was I really turning soft since I

met Yoh. I still remember the day I met Melanie. She was defending Yoh. It was when I taught Rio and the dead enders a lesson. But Yoh had stopped me from finishing Rio off. But when I was about to finish Yoh off, a girl came flying in front of Yoh, she was saying about if I wanted to finish Yoh off I would have to go through her. I didnt understand why, until she told me that she was Yohs sister. I have to say I was very impressed by her shaman skills. I wonder why she didnt enter the tournament. But my thoughts were soon distracted by Jun asking me again what I meant.

(ME) I dont know Jun, you know me by now

(JUN) Ok, well explain from the start.

Normal P.O.V

Melanie was sitting in her room looking out of the window. She really wanted someone to talk to. But who? She didnt want to tell Anna because she would tell Yoh. And she defiantly didnt want to talk to Yoh or the boys. The only choices she had were Pilica and Tammy, and Pilica couldnt keep secrets. It seemed like Tammy was her only option, but she was now asleep. It was 10 P.M.

She couldnt stand being inside any longer. She grabbed her coat and wandered around in the garden. Everyone was asleep. She didnt know about Len because she hadn't been downstairs, but she knew for a fact he didnt go out with the guys. She had stopped right in front of the pond, where she saw the moon reflecting in the water.

Deep in thought, she sat down and just watched the pond. She didnt actually know why she fancied Len. She'd known him for a while, and most of the time she couldnt stand him, but they do say that when most people hate each other, its only because they love each other. But to her Len still hadnt really changed. He still had a big ego. As she was lost in these thoughts, she didnt realise that someone was behind you, but she jumped up at a hand resting on her shoulder.

She looked up and saw two gold eyes down at her.

(LEN) Shouldnt you be asleep?

You then got up and looked at Len.

(MEL) You cant tell me what to do!

(LEN) Lets see your two years younger than me, and youre the youngest out of all of us.

(MEL) So?

(LEN) Well shouldnt you respect your elders?

(MEL) I do, I respect my grand parents!

Soon there was stony silence. Melanie looked Len straight in the eyes. She couldnt help it. She wanted to so badly kiss him. As if reading eachothers minds, they both soon found themselves leaning in. Their lips then touched. It was soft and sweet. It didnt last long, but it felt magical to Melanie. Mid-kiss, she jolted backwards and gasped.

(MEL) I am so sorry! Please, just forget what happened!

She then ran back to the house, not daring to look back.

3 - Part three

This be part 3. Yup yup, it is. :P

My Shaman King Part 3

Dear Diary,

I have really screwed up. I cant believe how stupid I was. I can never ever look at Len again. In fact, I don't think I can ever leave my room again. Never! Why did I kiss him? Why? How stupid could I be? He is my brothers friend, and I guess my friend as well, but thats not the point. He is Yohs friend! Len is almost Yohs best friend. Anyway, why would anyone like me? Maybe I should go back to Yohmeis. At least then I will save on my embarrassment. I know that Yoh knows something is up. I dont think it helps that I havent been out of my room for about 4 days. Oh well. I'd better go, someone is knocking on my door. Ciao.

Normal P.O.V

Melanie closed her diary shut and put on her night-stand next to her bed. The knocking wouldnt stop.

(MEL) Hold on, dont break the door!

She then opened her bedroom door. There stood Jocco. She groaned loudly, expecting for him to throw a lousy pun at her...

(JOCCO) Hey Mel can I come in?

(MEL) Sure, just dont touch anything.

Jocco then sat down at the edge of the bed.

(JOCCO) Have you heard the one, about-

(MEL) Shut your joke hole or I'm ripping out your vocal cords and throwing you out if my room!

(JOCCO) But how can you throw me out? You're too small and young!

(MEL) Just try me.

(JOCCO) Fine. Anyway... whats wrong? I thought you would be happy that your birthday is tomorrow.

(MEL) no my birthday is on April 11th.

(JOCCO) Yeah its the 10th today!

(MEL) Oh, well I feel stupid!

(JOCCO) So what do you want for your birthday?

Go back in time and stop me from kissing Len, she thought.

(MEL) Oh, nothing. Sorry Jocco but Ive got to go!

Yohs P.O.V

I watched Mel run out of the house. She seemed really weird those last couple of days, but it only seemed to be when Len was around. I'd asked him whats going on, and he just said, "I dont know."

What was happening? She was my little sister, and I'm supposed to look out for her. She'd even forgotten about her birthday. How can anyone forget about their birthday?

Oh well, I thought. I guess I should just carry on with the surprise.

I was wondering when Len was going to get here though. He'd promised to help.

Lens P.O.V

As I was walking towards Yohs house, I was knocked to the ground. I couldnt tell who it was, all I could

see brown hair in my face. I could tell it was a girl, but she fell on top of me.

(ME) Will you please get off me!

(MEL) Oh sorry Len! I didnt see you.

Melanie then got of me. She offered her hand to help me. I took it and got up. She then let go and started walking again.

(ME) Where are you going?

She didnt answer, she just kept on walking. I ran after her, shouting at her to stop but nothing worked. She just carried on walking. I grabbed her arm and she stopped straight away.

(ME) Why wont you answer me?

(MEL) What? So you still want to remain friends, even after what I did?

(ME) What did you do?

(MEL) Oh, um... kiss you.

What? I thought. She blames herself? But wasnt I the one who kissed her? Why am I even thinking about this? I have to make sure I dont get too close to her. I cant ruin are friendship. What am I saying? Look how distant towards me she is. How will we ever be back to normal?

(MEL) Im sorry Len, I have to go!

She then struggled out of my grip and ran off. I had no idea where she was going, but why should I care? Was it because I was madly in love with this girl and I couldnt tell her? No. It was just because she is my friends little sister, but why does my head tell me different? Why did my heart skip a beat when I look at her... when I hear her laugh? Maybe I was just ill...?
