1 - the begining, ot the end...

An: this story is owned, so don't even try to take it, k?

Chapter One: And so it begins, or ends.....

Sora trudged slowly down the hall of the palace, this was horrible, he was lost in the castle, and he had just been separated from his childhood friend and love... ~ man this, sucks...™he would think, as he rounded the corner, he held the ultima weapon and sighed, he had also lost his best friend and best rival, he winced at the thought as he leaned against the wall and slowly slid down it, he reopened his eyes and sighed, there was nothing to do, the heartless were destroyed, and....he had no friends here..well, there was Goofy and Donald, but they were always working, so, there was so reason, to go to them. He lifted his head and stared out the window, it was magnificent , a large, pain glassed window, that held the sunshine, like it was a the sun itself. The more Sora stared, the more tired he got, slowly he drifted off to sleep...?k-kairi....?

~~~~~Later that night~~~~~

œ WE MUST STOP THEM!!!? Sora was struck from his sleep by the sound of Donald's™ voice. œ Sir Sora, we must go, the heartless, they have attacked!? Sora's™ eyes widened, œ the heartless?!? he shoved his way out of the servants and ran to the door where Donald stood. Suddenly the door cam crashing open, and there stood, a huge, bug looking monster, a type of, beetle? Sora backed up slowly, the size of this thing, was colossal! He had to blink several times to believe it was there. Sora turned his head just in the nick of time when Donald went flying backward. œDonald!? Sora ran to Donald just to have himself knocked backward too. œAaugh!? he sat up and summoned his Blade, he jumped up and did a air-combo-strike, but all it did was probably tickle the thing. œ what the?!? He looked at his blade, ~ the ultima weapon, why isn't™ it working?!™ he thought. He then got hit again, and again, and again. Soon only Sora was still standing, if, only, only the King were there! Sora tried to stand up again, but to no avail, he was then hit, and was sent flying. He hit the wall with a slam as his blood loss was heavy, he could barley see anything, was this it, was this how he was gonna die...? no, he couldn't™ he would n't™!

No! He had to get Kairi and Riku back! At all costs!! œ Noo!!!!!!? Sora screamed, suddenly the Keyblade started to glow, and it seemed to transform into a new key! But how! Sora would think, ~ the ultima weapon is the last stage!™ It glowed like the sun, and grew by at least 5 inches, the Sun blade! Sora looked at it with extreme curiosity, ~what the...?™ suddenly he was lunged forward by the blade, it seemed to be working on its own.0.0 œ AHH!! WTF is happening!!!?he screamed as he tried to better grab a hold of it. When he did, he did an air combo again, this time, it caused damage, you could tell because it screamed in pain...wait a minute, screamed?! Sora looked behind him at the creature, ~ was that a scream, or a shriek..?™ he went back up to at full speed, and did an Ars Arcanum straight in the stomach. There was a final loud scream, and in fell to the ground, but, in a strange, REALLY strange way. Sora backed away in fear as the creature stepped forward as a glow formed around it. It was still screaming when it, it turned into a human?! A young girl about 14 fell to the

ground, nude might I say, all wet with goo, and slightly knocked out. She blinked slowly as she reached her hand out towards as if wanting to grasp him, as she whispered softly...â€?help me...sora...â€? and with that, she fainted.

~~Later inside one of the many guest rooms of the castle~~~~~

Her eyes opened with a flutter, she looked around blurrily and found a boy hovering over her. â€œ you okay..?â€? he said blinking. She screamed and slapped him as she sat up. \*huff\* \*huff\* Sora rubbed his cheek, â€œOuch! What was that for?!â€? He stood up and looked at her angrily. She blushed slightly, and looked down.â€? sorry, it was, just a reaction.â€? Sora blushed at her blushing as her noticed she was nude, in a bed, with only sheets. His eyes widened as he turned around and closed his eyes. â€œ no, im sorry, I didnâ€™t notice that you were, uh, well, ya know....â€? She looked under the sheets. â€œOh...â€? was all she said, â€œ Um, do I have any clothes I can wear..?â€? Sora put his arms behind his head. â€œYeah, over on the left, on a chair, you see them?â€? She turned and saw a black shirt and skirt, they had a strip down the middle with a silver belt hanging on the chair. â€œYeah..thanks...â€? she stepped out of the bed and walked over to the chair she put on the small white g-string and then stared at the bra...she had never seen one of these before. She picked it up and stared at it with a finger under her chin. Sora was getting tired â€œ How you doing...?â€? She turned and looked, â€œ Um, what is this long white thing with wire under it..?â€? Sora was confused as well. â€œ I donâ€™t know, let me see it...â€? he held his hand out backwards and waited for her to put it in it. When she gave it to him he took it, and held it in front of himself...He stared for a moment, then blushed deeply and stiffened like a board. â€œwell, what is it..?â€? She said looking at her other clothes. â€œ UH, you mean, you donâ€™t know...?â€? she continued looking at the clothes and calmy said â€œ nope...â€? â€œITâ€™S A BRA!!â€? He yelled closing his eyes and clenching it out of embarrassment.

She turned out of shock, â€œand, what is that...?â€? she said putting the skirt on. Then adding the belt. â€œ God! Do I have to show you or something..?!â€? â€œ I thought youâ€™d never ask!â€? she said as she smiled. Sora sighed, why did he have to say such a thing...? He turned around and closed his eyes, â€œ Okay you take it like this and do this...I think...â€? He took the bra and put it over his clothes around the chest area. â€œ see...?â€? It was a little tight, but at least it fit. â€œUh..I think, okay, let me try...â€? She about to walk forward when someone walked in, it was Leon and Aerith. â€œSora we heaâ€?â€? Both Aerith and leon froze, Aerith Ran to the girl and put her arms around her to hide her chest from view â€œ Huh?â€? Sora opened his eyes and stared at leon who was staring mouth wide open back at him. Sora looked down at the bra he was wearing. â€œ Ah!â€? he screamed and pulled it off. â€œItâ€™s not what it looks like! I swear!!â€?

~~~~~After the girl Learned how to put a Bra on and then they went to the library~~~~~

Sora was so embarrassed, then it made it worse when Yuffie would sit there laughing at him during the whole Conversation. â€œ So, Sora tell us again, what were you doing..?â€? She asked, perfectly knowing the answer. He sighed...â€? I was showing her how to put on a Bra...â€? he mumbled more than he said. Yuffie started to crack up again. â€œ Thatâ€™s enough Yuffie!â€? Leon said glaring at her. She instantly stopped and cocked her head back in defeat. Leon rolled his eyes, he felt guilty, but she needed t calm down. â€œNow, Sora, who is this girl..?â€? Leon asked looking at her while She played with her belt. â€œ I donâ€™t know, she just, kinda, appeared after I defeated that..heartless.â€? They all stared at her..â€?What?â€? She said leaning backwards. â€œTell us..â€?Aerith said, â€œEverything...â€?

~~~Th girlâ€™s story~~~~~

\* My name is Lili, and im what you may call, a Heart Child.....\*

Dr. Kyn walked down the hallâ€™s of Hallow Bastion with Hades as they talked. â€œ So when will itâ€™ be ready..?â€ Hades asked stepping in front of the Doctor. â€œ Well..â€ He said. â€œIt could be awhile....â€ Hades clenched his fist. â€œ We, donâ€™t, have, awhile, doctor.....â€ He looked at him with fire in his eyes. â€œ With that pest, the keyblade master walking around, we canâ€™t afford time!â€ He yelled, â€œKnow I want the child ready by Noon tomorrow!â€ And with that he disappeared. â€œY-yes Mâ€™lord!â€ The doctor yelled running back to the Lab.

\* Dr.Kyn worked all night, and all Day tillâ€™ noon the next day. Thatâ€™s when it happened\*

Hades walked in the Lab smiling very brightly â€œOh, Dr.Kyn!!! Is our â€childâ€™ ready..?â€ He said walking into the back room surprising the doctor. â€œOh! Hades! She is ready!â€ Hades walked over to the screen and looked in it, there she was, a girl, about 14, floating in that same Goo Sora saw. â€œ ah, yes, a fine model she is, so, what does she do..?â€ Hades asked looking at the clip notes n the desk. â€œ Well, well you see, Hades, um..She, sheâ€™s a model, that, is a type of Heartless, which can turn into heartless...â€ There was a long silence then a stare... â€œYouâ€™re a genius Dr.Kyn!â€ Hades yelled, â€œNow, lets see this baby in action..â€

~~~~~End of Story~~~~~

â€œ I could hear Dr.Kyn always talking about Sora, the great Keyblade Master, and that, if only he had worked along side with you, this project, me, could be going towards truth, anf hope, instead of death, and sorrow...â€ Lili said still playing with her belt, â€œSo, I sent out to find you, but, when I saw you, I didnâ€™t realize anything, and just started attacking...im sorry to have caused so much trouble....â€ She said looked at a bandaged Donald and Goofy. Sora was totally lost, but he also understood. â€œ So, are you an enemy, or an Allies..?â€ She stared at the ground, and started to remember the memories that she HADNâ€™T revealed.. She then looked at him straight in the eyes and said, â€œAllies.â€

2 - Traveling with a Heartless isn't so easy....

AN: okay, here is the second chapter.

Chapter Two: Traveling with Heartless, isn't easy.

Sora walked down the vast plains of the palace property along with Goofy, Donald, and Lili. Suddenly, Lili jumped on Sora, then jumped off. "Sorry!!" Sora sighed, "Sâ™okay...?" Lili had a nat for jumping on him, it was, a kind of reaction for being a Heartless. She blinked and continued walking. "So.....Sora...?" Sora turned with his arms (as usual) behind his head. "Yeah...?" She smirked, "where we going...?" He turned and went ahead of the group. "Out..?" "Out where?" "Non of your business, just keep walking..?" "No! I wanna know!" "KEEP WALKING!" "NO, I WANNA KNOW!" "WE'RE LEAVING THE WORLD STUPID!!!!" Donald and Goofy cringed in the corner of the room in fear of the two, "they fight like lovers..?" Donald said towards Goofy, "Hyuck! They do..?" Sora and Lili stopped and turned backs towards each other, "FINE!" "FINE!....wait fine what..?" she said turning towards him. He rolled his eyes and started the walk again. "nothing, lets just go....?" they were about 20 feet away from the place where they fought when they noticed Donald and Goofy were gone. "Hey! Goofy!! Donald!! Comâ™mon! You're holding us up!" Donald and Goofy sighed, "wasn't that our line..?" Sora turned, and was tackled down by Lili again. "sorry.....^_^?"

~~~~~At twilight Town( yeah, I know itâ™s from the second Game, I've played it~~~~~

Sora and the gang unlocked the door to the hotel, this one was definitely bigger than Traverse Townâ™s Hotel. Sora dropped down on the bed and sighed closing his eyes. He felt an uneasy feeling and opened his eyes, to find Lili hovering above him. "Gah!" he jumped backwards. "what is it..?" she said tilting her head. Sora turned his head with his bottom lip out like a baby, blushing. "nothing...?" She sat down on the bed and sighed, "hey, um Sora..?" Sora laid against the wall, "hmm..?" She scooted closer to him. "I was wondering, who are Riku, and Kairi..?" Soraâ™s eyes suddenly showed that he didn't like this subject. "why? Where did you hear about them..?" She blinked. "why does it matter..?" "because it does! Tell me!" She cocked her head in defeat. "well, you see, I kinda, don't get mad or anything, but, I probed your memories to find out things...?" Sora suddenly stopped. "How DARE you!!! never go in to my memories! Never! They're mine! Mine alone!" She winced, she had never heard him yell before. "im, im sorry!" "No, your not! You should know better than to go into some ones memories Lili! You should know! Never touch my mind again! If I had known about your powers, I would have never brought you along!..." he sighed and closed his eyes, Sora was definitely growing up, thought both Donald and Goofy, because, if he were the same Sora, he would have NEVER reacted to this kind of Situation in this way. Sora closed his eyes, and walked away from the bed. "im taking you back in the morning, so, don't unpack."

Lili stood up in protest, "wait! why!?" Sora was about to leave the room, but stopped and let his

hand dwindle on the Door Frame. "Cause there are things, in my mind, that no one but me should see...." Lili's lip trembled . "im sorry!" and she ran out the door nudging Sora as she thought, with tears streaming down her cheeks. "but, I can't go back, I have to finish my final mission" and with that, she went out the main door, and was gone.

An: I know, alittle weird, but remember, My Translated sucks, so it WILL sound strange.
