This started out as a Tales of Symphonia fic, but my recent obsession with Tales of the Abyss made me make this a crossover. Title says it all.

Tales of Symphonia: ROAD TRIP

Tales of Symphonia:ROAD TRIP! Part one

This is a Tales of Symphonia/ Tales of the Abyss crossover. Expect stupidity and a Mary-Sue.

Summary: Anzie, Kitti, Kylie, and Kylene planned a road trip. The Tales of Symphonia characters were invited, but one idiot invited his friend from Tales of the Abyss. What will happen you say? Utter chaos, that's what.

Location: Tower of Salvation

Anzie: "I don't know about this..."

Kitti: "When have you been cautious!? Besides, these guys are easy. You should know."

Lauren: (she has a hyper squeaky voice) "I LIKE CHOCOLATE!"

Anzie: "Where'd she come from? Hey Lauren, shouldn't you be at the Iselia human ranch, flirting with Forcystus, like normal?"

Lauren: "NOPE! I know he's going on a road trip with you guys! So I'm coming too!"

Location: Iselia

Kylie: "Where is everybody? You'd think they'd have seen a catgirl before."

Lloyd: "Ok, we're here and ready for the road trip!"

Colette: "Uh-huh!"

Meanwhile, Regal is watching Camp Lazlo.

Genis: *moans* "Regal, come on, it's time for the ROAD TRIP!"

Regal: "Road trip? Sweet."

Presea: "It is time to leave. Come on."

Raine: "Will we be seeing any ruins!?"

Sheena: "Probably not, but I'm going to smack Zelos hard if he tries anything..."

Zelos: "Hey hunny, wanna ****?"

Sheena: "Ew, NO!" *smacks Zelos*

Back at the Tower of Salvation...

Anzie: "Where are they?"

Lauren: "Probably hung up somewhere. Probably because of Rodyle. Most likely. Yup yup!"

Kitti: "Yeah, either him or Pronyma. That whore. She makes me sick."

Mithos: "OK, we're here. Now let's go!"

Kratos: "Impatient, are we?"

Yuan: "He's always like that."

Pronyma: *hitting Kvar with her rod* "Jerk! Hell no!"

Kvar: "All I wanted was a date!"

Rodyle: "Are we gonna go get my nerd friend now? Are we? Are we? Are we? Are we? Are we?"

Anzie (calm voice): "Yes, we'll go get him now."

Kitti: "Why do I have to be stuck with these idiots?!"

Forcystus: "Welcome to my world..."

Lauren: "SQUEE!" *glomp*

Later, when the road trip actually started...

Anzie's driving, Forcystus is next to her because he "can't stand those idiots", and everyone else is in the back, being random and weird.

Lauren (singing/squawking): "ARE WE THERE YET, ARE WE THERE YET, ARE WE THERE YET, ARE WE THERE YET, ARE WE THERE YET, ARE WE THERE YET, ARE WE THERE YET!?"

Forcystus: "NO WE ARE NOT 'THERE' YET, NOW SHUT UP!!!!!"

Lauren: "Eep."

With the others...

Lloyd: "I know a funny song!"

Colette: "Sing it, Lloyd!"

Lloyd: "OK! 3! 2! 1! PEANUT BUTTER JELLY TIME, PEANUT BUTTER JELLY TIME, PEANUT BUTTER JELLY TIME, PEANUT BUTTER JELLY, PEANUT BUTTER JELLY, PEANUT BUTTER JELLY, PEANUT BUTTER JELLY, PEANUT BUTTER JELLY WITH A BASEBALL BAT! LET ME RIDE THAT DONKEY DONKEY, LET ME RIDE THAT DONKEY DONKEY, LET ME RIDE THAT DONKEY DONKEY, LET ME RIDE THAT DONKEY DONKEY, PLEASE, PLEASE, LET ME RIDE THAT DONKEY DONKEY, LET ME RIDE THAT DONKEY DONKEY, LET ME RIDE THAT DONKEY DONKEY, LET ME RIDE THAT DONKEY DONKEY, PLEASE, PLEASE, LET ME RIDE THAT DONKEY DONKEY, LET ME RIDE THAT DONKEY DONKEY, LET ME RIDE THAT DONKEY DONKEY!!!"

Genis: *bashing his head against the seat*

Sheena: O_o

Zelos: ^_^

Regal: *repeats the song*

Presea: "I do not think peanut butter and jelly on a-" *next word censored* "is very appropriate..."

Lloyd: "What's a-" *gets knocked out by Raine*

Ok, I think we've had enough of these guys. Back with Cruxis!

Anzie: "LAUREN! YOU HEARD HIM! SHUT YOUR FREAKING PIE HOLE!!!"

Lauren: "But-"

Kitti: "Whose house is this?"

door opens, Jade (from Tales of the Abyss) runs out, stops, turns back and starts screaming swears at someone

Anzie: "Hi Jade. Wanna join our Road Trip?"

Jade: "Sure." *opens door* "Oh gawd, who cut one!?"

Every sane person in the van: *points at Rodyle*

Jade: "I should have known..." *gets in the van* "...what are we waiting for? Go! Go! Go!"

Anzie: "...we're just waiting."

Jade: "For... what...? Or... oh no..."

door opens again, this time, Dist (Tales of the Abyss again) runs out with a lobster clinging to his sleeve

Anzie: "What's the lobster for?"

Jade: "I don't know, and I don't WANT to know!"

five minutes later, after Dist pulled the lobster off his sleeve...

Dist: "Hey, a ROAD TRIP! Cool."

Pronyma: "What do you know about 'cool', NERD?"

Anzie: "Call him a nerd one more time and I'll..."

Ok, this is getting out of hand...

END CHAPTER, MAN!!!

Next chapter, we're gonna actually make it to... uh, where were we going again? Someone, tell me where we're going! I need suggestions! Best suggestion wins! And if you want a guest appearance, just ask!
