# 1 - Sister

Ebb & Flow CH.1

Me: Hiya this is my second kinda love story Since my first was wierd and stunk and yea it was Baaaaaaaaaaaaaad anyways i Hope u like my story it has my own character in it which i wish i could draw but my drawings stink and ramble ramble ramble.....

Zrixy: Right she's lost it anyways im Zrixy and so yea um hope u like it.

It was lunch time in Castle Oblivion and of course evryone was in the dining room everyone of course except Demyx.

Demyx: ug what am I going to do, how to i tell Xemnas.

Axel: COMON DEMYX THE FOOD IS GETTING COLD (except for mine heh heh)

Demyx: I'll be down in a minuet!

once Demyx was seated everyone sighed with relive and begon eating it was very quiet and no one had a conversation to bring up about thier mission or news on Sora,Donald, or Goofy. He really needed some music to calm him down because of what was going to happen today.

Demyx: soooooo before anything gets *too* excting lets get as far away from th....

There were three loud knocks on the door.

Demyx: I GOT IT

Xaldin: It's ok Demyx calm down

Xaldin said in a calm tone.

Demyx: oh maaan

Xaldin opened the door and there stood a teenage girl about Larxene's highth (which was a normal highth....I think) with long blue hair put into a ponytail with three braids coming out. she had the lightest blue capries on with a top that covered most of her except her sides,her arms and had her top sorta string down and make a hole around her belly button. Her arms had a normal T-shirt on one side and a very long arm of a midnight blue shirt on the other. She jumped on Xaldin screaming at the top of her lungs.

::::: OH DEMYX I MISSED YOU SOOO MUCH YOU REALLY NEED TO WRIGHT MORE MAN! you've gotten.....tall?

Xaldin: um girl im not Demyx and you'r in trouble.

Xemnas: what the hell is going on here!

Demyx: im sorry sir you see i was going to tell you at lunch but.....

::::: he didn't want you to know about me, figures you were always jealous of me and didn't want me showing you up in front of your little Minions

by now everyone was in the lobby.

Larxene: hey! We don't work for Mr. Guitar

::::: you don't hmmm....well then Demyx want to tell me what you really are.

Zexion: First who are you.

the girl turned around to see the somewhat taller teenager in front of her. she gaped as she stared at him for a minuet the replied.

::::: I am Zrixy, Demyx's twin surely he's told you about me.

Demyx: actually Zrix i never told them about you and how your the only Nobody who knows how to feel.

Zrixy: WHAT what do you mean you didn't tell them, i was supposed to help them have feelings and your telling me you haven't told them.

there was confusion all around the room, everyone was quiet they were all wondering how this Nobody could have feelings.

Xemnas: well Zrixy how long will you be staying?

Demyx: you mean you dont care that she lives with us for awhile??????????

Xemnas: well of course she's your sister.

Zrixy: well you better have a spare room cause i wont be leaving for a long time

Xemnas: hmm well then if your going to stay here awhile then your going to be tested givin new clothes and do work for us/

Zrixy: and you will be healing

everyone look confused at her

Zrixy: you'll all see well see you in the morning you better get some sleep cause we'r getting up early tommorow.

everyone went about doing their business except Zexion who was still staring at her as she waslkd up the stairs and out of sight.

Axel: hmmm you know Zexion she could be single ^\_-

Zexion: wwhat i dont like her i...i... just thinnk she looks...uh....nice thats it.

Axel: right well she's in the room next to Demyx got it memorized?

Zexion:.....

Axel: good well see you later.

ME: well i hoped you liked it, it took me awhile to think who would Zrixy like besides Axel.

Zrixy: yea good choice

Zexion: \*Droooooooooools\*

ME: right ok well i'll right more soon an will probably make it longer soo yea BYE.

P.S. Read and Review PLZ

Axel:ill take you.

Axel summoned a portal to the library on there way between dimensions Axel got curious.

Axel:sooo what are you going to do to us again

Zrixy:i was trying to make plans on helping you guys get your feelings back even though you dont have your whole heart.

Axel:is that even possible?

Zrixy:well i did but you cant pretend that you have feelings it ruins it.

Axel: well here we are.

they entered the oddly small library with a small table in the middle and a couple of chairs near the window overlooking the garden.

Axel:you want to read this book,it's on your mission today at noon so you better read quikly.

it was 9:00 Zrixy began reading the book on The keyblade master,it was a fairly large book and Zrixy had a lot on her mind but she knew she had to do this if she wanted to help the Orginization. Meanwhile Axel went back to the garden everyone was still there and Demyx was still playing his sitar. Larxene was talking to Roxas and Marluxia was planting some new plant.Axel walked over and sat next to Demyx.

Axel:so Demyx how's it going

Demyx:fine im need to find some new songs to play though.

Axel:well i was wondering what Zrixy is planing like, what is she going to do to us tommorrow,

Demyx:well i think she's going to take us to the beach.

Axel:but non of us have a swimsuit.

Demyx:She's taking us shopping first.

Axel was picturing Demyx in a swimsuite and his hot body. him laying on his back on the beach. It was a thing that will most likely going to happen tommorrow.

Demyx: Axel are you ok.

Axel was dazing off thinking about Demyx.

Axel:oh uh...yea im fine.

Axel walked off to talk to Roxas and Larxene. Demyx stared as he walked off thinking about the exact same thing. Demyx can't wait till tomorrow. maybe his sister coming here wasn't such a bad idea.
