1 - Enter; KL Girl!

Chapter One *Enter; KL Girl!*

The thunder storm just calmed down about ten minutes ago.

But, thats right when it happened!

Oh my god! It scared the hell out of me!

Wa..wa..wa..wait just a gosh damn minute here! Im confusing you arn't I?

Heh my bad! I guess I should start from the begining,....right back to the begining of the day.....*FLASHBACK*

It all started when my alarm clock went off.

Beep! .. *Beep!* *Bang!* goes the alarm clock as I smash it with my lamp that sat next to it.

"Morning already?" I asked as I stretched and yawned. "It feels like I just went to bed, I blink once and now it's morning?" I say as if im irritated.

But I just shook it off and headed for the kitchen to get some coffee.

"Sup sleepy head?" Said someone sitting at the kitchen table drinking coffee.

"Whatever, did ya save me any coffee Liz?" I asked as I looked in the coffee cabinet.

"Well if I did it was by accident" Said Liz as she drank the last drop her coffee. "By the way the guest room is kinda messy because of **you**, so do ya mind cleaning up a bit oh and doin the dishes?"

You see Liz is older than me but where like sisters! I moved in with her because well I have no parents. So she's kinda like my big sister!

I just sighed and said "I've gotta get to work and with NO COFFEE either so could you do it?"

"Klanky!" yelled Liz very irritated.

"It's Klancey!" I yelled back. "The c has a S sound not K sound!"

"Whatever you've got a stupid name anyway!" Yelled Liz again.

"Gee Liz, that's a mature comeback you've got their!" I replied with sarcasm.

"Urgh! Oh forget it! I should have known you'd never pick up your wait around here when I agreed on you moving in with me!" Yelled Liz as she got more angry. "No wonder Your mother couldn't stand you!"

Right after I heard the word mother I just froze, then tears started to flowing threw my eyes.

Then Liz saw my tears go all the way down my shirt.

"Oh KL!" Said Liz very quietly. "I'm so sorry I didn't mean to bring up..."

Before she could say the last word I just walked out of the room. "whatever!, Just forget about Liz I'm used to it" I said as I slammed the door behind me.

A little later after I got dressed I headed for the door to put my coat and boots on, intill I got stopped by Liz.

"I..I'm sorry Kl," Cried Liz " I know how you feel to be unwanted by family, same happened to me."

I didn't say anything I just listened as I smiled a little.

" Your mother didn't love you and my mother nor father didn't love me, so I waited intill I was old enough to move out" Liz cried more. "An then after I met you, well I found out that your like me! And then I let you move in with me so you didn't have to wait intill you were older to be away from your parents"

I couldn't think of anything to say, so I just hugged her.

"Liz your the sister i never had!" I said without crying. "You've always been their for me even when you where dogy!" I laughed a little.

Then we both just started laughing we didnt know why we just where.

"But her telling me this still doesn't help" I thought

"Now out of my way dog i've gotta Job!" I said teasingly.

Liz just smiled and moved so I could get my coat and boots on.

After I got them on I opened the door but then stopped.

"Oh and Liz?" I asked.

"Yeah" replied Liz.

"You have a stupid name too!" I said as I laughed.

"Why you little brat!" yelled Liz.

She was about to hit me but I was already gone.

"What retard Liz is!" I laughed as I walked down the street to a flower shop.

As I opened the heavy clear door of the shop there was a I would say a Japanese man with short black hair and glasses. He was a little taller than me and he was wearing a flower apron over his other clothes.

"Hey Mr.David" I said cheerfully.

"Hey kiddo!" Replied the man with a deep voice. "Get your apron on we've got a big flower order to fill."

"Got it Sir!" I replied still cheerful.

You see Mr.David has a wife but no kids so he treats me like I'm one of his own. Not that I mind! He's the father I've never had!

Later after all the flower orders were filled, I was really tired! I mean after seeding and planting and lugging all those plants! And guess what I had for lunch! Sunflower seeds! Shoot! I'm so damn sick of the stuff!

It was time to go home finally! But as I took off my apron and headed for the door a customer came in!

So I just sighed and put back on my apron and went back behind the counter. Because the closed sign wasn't up yet and Mr.David was out back.

"Hello Sir how may I help y...y..y..." I could not believe what I was seeing! This dude was extremely scary!

He was no taller than me and he looked about my age, He had his hands in his pockets, he wore a long black coat with a hood over his head and very tall black boots. He also had a red mark down the right side of his face going from the top of his head to the bottom of his chin!

But then I just looked at the floor and try talking to him again.

"H..How mu..may I.I.I Help you ssss... sir?" I asked nervously. With my head still pointing to the ground.

Then he walked up to me and lifted my head up with his hand to my chin.

"Well nervous one, you could help me alot if your up to it, but it seems your a little scared."He said in a strange voice.

I was extremely horrified! I thought he was gonna do something!

"Tell me," He requested. "What is horrifing you right this moment?"

Then I really felt scared! And the fact that he still had his hand touching my chin didn't help any!

"Uh..um..uh" I couldn't speak! I was frozen in fear! At this time I wish Mr.David came in the room right now! Or at least another customer so he can let go of my face!

"Well it seems your the quiet type" He said with a fake smile. Then he let go of my face."It's quite alright!, don't be shy tell me."

Then I finally built up enough courage to speak.

"Oh uh it's nothing." I said still a little nervose. "Nothing at all really um...so what are you looking for?"

"Hmm?"He said as if I were speaking some other language.

"Uh well your in a flower shop..heh so what kind of flower are you looking for?" I said as I started to feel more comfortable.

"Heh oh yes I know," He said as if he were embarrassed." Well Ive already found what ive been looking for."

Then I just raised one eyebrow. "either he's already picked out a flower or that's the lamest pick up line Ive ever heard!" I thought.

" Klanceycia licht of light" He said

"Huh?" I asked kinda freaked out and worried.

But all the sudden he grabbed my shoulder turned me around and hit me behind the ear. Then I fainted. The last thing I saw before I fainted was his eyes. His eyes where like black for the coloring but his pupils where white! It was the strangest thing I've ever seen!

Then I think I was dreaming that I was in a flower medow sitting down in the flowers lot and lots of beutiful flowers! Then someone called out to me! I leaned up to see who it was, and it was a lady and a man standing at the end of the medow. I couldn't quite see their faces but somehow the mear sight of their existance filled me with joy ! They called out to me again at least I think it was me they where calling someone named Klanceycia, and so so one else was their I figured it was me.

I tried to run up to them but they just kept getting further and further!

Then all the sudden I felt this percing pain in my back! Someone just stabbed me! oh the pain! Then I fell on my knees and looked behind me to see who it was. It was some dude in a red overcoat. I couldn't see his face. Then I just fell on my face.

All the sudden I woke up.

"What a crazy dream!" I said with a sigh of releif.

Then I heard a horrible ringing noise! I figured it was my alarm clock so as I reached to hit my alarm clock I touched a flower.

"WHAT THE HELL?"I screamed as I looked at the flower.

Then I noticed I was laying on the floor of the flower shop.

The fron't door was standing way open.

As I wanted to prove everything was ok to myself I ran to the back room to see if Mr.David was ok.

"Mr.David?...Mr.David?!" I yelled as I started to worry.

Then I heard the horrible ringing noise again! It was a firetruck and a ambulance and a police car!!!

I watched where they were going and they were heading to me and Liz's apartment!

"Oh My God!" I screamed.

I started running and trying to think this was just a bad dream!

Then It started to rain then storm.

Lightning shot everywhere! Shooting houses and shops and trees and street lights.

I was terrified!

I finally got to the apartment when I saw that all those cars did go their! I rush inside pushing people out of my way fighting to police getting past them and crying at the same time!

Then all the sudden I saw a dozen people run out of the building in terror! I saw that eventhe police ran away! Then It ended up me being the only one their. I ran inside and ran up of what was left of the stairs not caring that it looked like something when threw their.

"Im coming Liz!" I screamed.

Then I ramed the door open and then all the sudden I felt as thought time froze!

I think the storm stopped about ten minutes ago.

But that's when it happened!

The creature! The horrible terrible sinister thing in the apartment!

It was nothing I've seen before in my life!

It had a dragon head a body like a horse and arms like a gorilla, feet like a frog, and a tail like a snake!

Then I looked who was next to it unconscious.

gasp"Liz!" I screamed.

Then all the sudden something happen. TO ME!

I felt as if though I had been controled by something!

I fell on my knees with my arms wrapped around we.

"Klanceycia licht of light!!!!" I screamed but I had no Idea what I was saying.

"Fourth Charm Caster Awaken!!!!!" I screamed even louder.

Then all the sudden the beast froze, then a bright light came out of it,

"Go back to the heck of which you came!" I yelled in a echo voice.

The beast then how you would say dicinagrated, then drifted away....

To be continued...

(heh sorry it took so gosh damn long!)

2 - Enter; KL girl part 2

Chapter 2

After the beast left I felt so weak. I fell to the ground and layed their for a minute, then I realized that I forgot about Liz.

I tried to get up and limp over to wear she was laying but then I noticed, SHE WAS GONE!

Then I felt a peircing pain in my back and my shoulder! It was Liz and Mr.David!

"Wh..what the Hell?" I yelled as I cried.

Then I noted that their eyes were glowind bright red! They shot something in my shoulder and my back.

"Wh.,wh..why? Mr.David, Liz, Why?" I asked as I tried to hold back the tears.

But they didn't say anything they just kept shooting at me with things coming out of their hands.

A big blast of it was coming right at me! What should I do? Was it gonna end like this?

Then all the sudden someone picked me up and moved out of the way of the blast. I opened my eyes and then saw his face.

"This is the dude who knocked me out at the flower shop!" I thought.

He put me down and jumped in front of me.

"Your safe with me Klanceycia"he said."I'll protect you with my life!"

I was shocked! I couldn't beleive all this was happening to me!

Then he jumped up in the air and pulled out a sword.

"No!" I screamed. "Don't hurt them!"

But he didn't listen he just swang the sword threw them as I closed my eyes.

"Nooooooooo!...Wait huh?" I said

The sword didn't cut them! They sword just took two black clouds out of them!

"Wh..What are those things?" I asked nervously.

" As you would put them.." he replied. " Monsters...but I call them other things."

Liz and Mr.David fell down as he put his sword back into it's case.

"Wait". he said as he took a second to listen."Some people are coming!"

Then he grabbed me and hid innto a big crack in the wall.

"What the hell are you doing?" I said angrily.

Then he put his hand over my mouth. "Shhhhsssh! Quiet!"

The people who were coming where medics. they came and took Mr.David and Liz away on rolling beds.

after they left I had tears in my eyes and came out of the crack."I really hope they'll be ok." I said as I cried.

Then I turned and looked at the guy who saved me."You!" I yelled as I pointed to him.

"Ever since you showed up in my life everything has been goin wrong!" I cried.

Then he let out a big sigh and then walked up to me."No, your wrong klanceycia, This has happened because your supposed to come with me!"

"No!, Your wrong! First off my name is Klancey not Klanceycia!," I yelled. "And second, Im not going anywhere with you!" I cried as I stepped back a few steps.

"Look my name is Hikaru and I was sent here to help you, and now I need your help!" He said as he got angry.

"wh..what for?" I asked

"Your the anceint forth Charm Caster of our realm" He replied.

"What? Our realm?" I asked.

"Yes" he replied again. "Our realm is magical and is in danger!"

"From what?" I asked another question.

Then Hikaru looked at his watch. "look Klanceycia oh I mean Klancey, this is no time for questions! weve got to get to our realm quik because this is the only time in one generation that you can get back!

I was about to ask another question but I didn't.

Hikaru Grabbed my hand and we walked to the end of the room.

"Uh" I stutterd.

We were looking at a wall.

I was still Kinda Scared of Hikaru something about him just terrified me!

"Ready Klanceycia?" asked Hikaru.

"huh?" I asked.

Not waiting for an answer Hikaru held up a amulet.

"what's that?" I asked.

But Hikaru just smiled and said " Amulet Of Space And Time! Open The Portal!"

Nothing happened.

"uh does he have a screw lose?" I thought

But then there was this little black spot that just popped out of nowhere and then It grew into a black door.

"What the Hell?" I yelled.

then Hikaru Grabbed me and then we opened the door and stepped inside.

The door closed behind us then dissapeared.

All the sudden we were in this beutiful medow of flowers just like my dream.

"What is this place?" I asked

"This is our realm Hammil" He replied.

"Hammi.."I said as I could not finish what I was saying.

I was still injured from te shots in my back and shoulder.
I fell on my kees crying it hurt like I was going to die!

"Your back is bleeding." Said Hikaru kinda worried.

He picked me up and sat down by a tree and laid me down in front of him.
He put his hands on my back and mumbled some words I couldn't understand.

"Now this won't hurt ok?" He said trying to be comforting.

Then all the sudden some white smoke was coming out of his hands and going into my back.

He was doing it for a while. While he was doing it I was crying a little.

"Hmm?, What's wrong?" He asked concernd.

I didn't answer him.

"This is not supposed to hurt," He told me.

"Oh...it's not that...it's nothing." I said.

"Im not going to hurt you Klanceycia, That's not even the last thing I would wanna do." said Hikaru trying to make it clear with me. "Don't be afriad of me, I'll protect you with my life as I said before."

"Y..your life?" I asked

"yes."

"But you just met me hikaru" I cried a little more.

"And yet I knew you all my life." he answered.

"H..How?"I asked.

"It's still too early for questions Klanceycia." Hikaru said with a sigh.

A few minutes later Hikaru was done healing me.

"Th..Thank you."I sad with a little smile.

"Don't mention it Klanceycia." He smiled back.

(get ready for chapter 3 coming up!) You'll see what I can really do!

3 - Hikaru

Chapter 3; Hikaru

When I got up after I felt a little better I decided to ask a little of my list of questions.

As I opened my mouth to speak Hikaru interrupted me.

"Let's not waste time here klanceycia" he said. "We have to get to the village."

"Village?" I asked.

"Yes." He replied. " The village called kuwakki."

"That's a weird name." I thought.

He got up. "come on let's go."

"But what about the other oh realm?" I asked.

"What about it?" He asked.

"Well what about the people like Liz and Mr.David?" I asked again. "Will they be ok?"

"Yes they'll be just fine." He replied. "I froze time in that world while I opened the portal."

"I will go back soon right?" I asked kinda nervose.

He didn't answer he just changed the subject. "Their will be someone waiting for us in the village."

"Ok." I said with a sigh cause I knew he didn't want to answer the last question.

"So..If im the how you say, fourth Charm caster..." I said as I started walking with him. " How come I never knew, and never well you know seemed like one?"

"You've never showed of anything like one yet because you have not had any ineractives with anyone

from this realm ." He replied.

"Oh well I guess that makes sense." I replied to him. "Makes sense as everything else that's going on." I thought.

"And now that you've interacted with me..." He started saying. " It will be out looking for you which is why I must train you to stay on your feet at all times."

"Wait rewind!" I said as I got mad. " What is after me?"

" The thing that killed your mother." He said with a sigh.

What did he say? The thing that killed my mother? I was the most confused Girl in the world! He wasn't telling me much and I thought I was from earth! Not this weird place!

"Wait what?"I asked. Then I decided to change the subject cause this was getting weird. "Uh So your gonna train me and have me fight something is that it?"

"That's right." Hikaru replied.

"Ok then." I said.

"What? As much as you've been freaking out lately your ok with this?" Hikaru asked.

"Yeah" I replied."I just figured that...im dreaming!"

Then Hikaru just laughed as we kept walking.

Later we were still walking and we saw something up ahead on the ground.

"What is that?" I asked.

Hikaru and I ran up to it.

It was a cute little uh well I didn't know what it was but it had a face like a puppy, ears like a bat or something and two paws and a tail but no legs! It was weird looking but it was laying there hurt.

"Aww poor little whatever this thing is."I said

"It's a keropie." Said Hikaru.

"Oh like im suppose to know what this is!" I said angrily.

Hikaru went down to pick it up and then a net flew out of the bushes but miss Hikaru, then some ugly

dude popped out.

"Damn. I missed!" Yelled the guy.

Hikaru picked up the uh Keropie and stepped in front of me.

"Heh well the next one won't miss at all!" Said the guy. "Hand me the girl and no one gets killed!"

"And you are?" Asked Hikaru as he narrowed his eyes.

"No time for questions just give me the girl!" the guy demanded.

"Oh you mean me?" I asked.

"Heh you've got a mouth on you little lady! Kykacko with get rid of that!" The guy said.

"Your working for Kykacko?" Asked Hikaru.

"Well if you must know yes!" Yelled the guy as he lifted up a spear. "Now give me the girl!"

"You didn't say please sir, So ill have to kill you." Said Hikaru as he drew out his sword.

I just stood back.

Then the guy threw the spear at Hikaru, then Hikaru caught it with two fingers and threw it back at him.

Then Hikaru went at him with his sword, then the guy ducked and tripped Hikaru.

"This coat is getting irritating." Said Hikaru as he lifted his hood and threw off the coat.

I saw him I saw the real Hikaru! His true face his true body! He had Purple hair and a really cool style! He also had another coat on but this one was grey with red at he seems! And a red belt to keep his weapons in!

Then Hikaru Finally swung at the guy and well..uh...Im not going to put this into detail but yeah Hikaru Killed him.

Then after that I ran up to Hikaru. "Hikaru you where amazing!" I told him.

"Heh yeah I was wasn't I?" He said as he scratched the back of his neck.

Right then i realized that Hikaru was Just a normal Person like me! He had feelings and he was well

extremely cool!

Then I walked up to the Keropie and picked it up.

"want to come with us little guy?" I asked the cute little thing.

"prrrrr" He replied had he shook his head yes.

"Ok Little cutie! ill name you if that alright, How about Kero?" I asked

It shook it's head yes again then Hikaru and i kept walking towards the village.

To be continued
