Chapter 1 - Come and gone

1 - Come and gone

A friend has come another has gone
The night is almost over let us wait for dawn.
It feels like i am chained to a wall.
In a dugeon where rats and insects crawl.
Cruel untrue wors drip like blood from my fangs.
I'm the animal you'll never tame.
Well,there are those who try and those who try might as well crawl in a hole and die.
Just leave me here to cry...
With yellow eys i've seen past this worlds lies
frack with me, you frack yourself
any questions?
Or should i make some rash suggestions?
