Song: Remember the Name-Nickelback

[Mike] You ready? Lets go!

Yeah, for those of you who want to know what we`re all about

It`s like this y`all (c`mon!)

[Chorus]

This is ten percent luck,

Twenty percent skill,

Fifteen percent concentrated power of will,

Five percent pleasure,

Fifty percent pain,

And a hundred percent reason to remember the name! [

Mike]

Mike

He doesn`t need his name up in lights

He just wants to be heard whether it`s the beat or the mic

He feels so unlike everybody else, alone

In spite of the fact that some people still think that they know him

But frack em`

He knows the code:

It`s not about the salary

It`s about reality and making some noise

Makin' a story

Makin sure his clique stays up
That means when he puts it down, Tak`s pickin it up! (Let`s go!)

[Tak]
Who the hell is he anyway?
He never really talks much
Never concerned with status but still leavin them star struck
Humbled through opportunities given despite the fact
That many mis judge him because he makes a livin from writin raps
Put it together himself, now the picture connects
Never askin for someone`s help, and get some respect
He`s only focused on what he wrote, his will is beyond reach
And now when it all unfolds, the skill of an artist

[Ryu]
This is twenty percent skill
Eighty percent beer
Be one hundred percent clear, 'cause Ryu is ill
Who would`ve thought that he`d be the one to set the west in flames
Then I heard him wreckin with The Crystal Method, "The Name Of The Game"
Came back dropped Megadef, took 'em to church
I like bleach man, Ryu had the stupidest verse
This dude is the truth, now everybody givin him guest spots
His stock`s through the roof I heard he frackin with S-Dot!

[Chorus]
It`s just ten percent luck,
Twenty percent skill,
Fifteen percent concentrated power of will,
Five percent pleasure,
Fifty percent pain,
And a hundred perecnt reason to remember the name!

[Ryu] They call him Ryu he's sick
And he`s spittin' fire and Mike
Got him out the dryer he`s hot
Found him in Fort Minor with Tak
What a frackin' nihilist porcupine
He`s a prick, he`s a cock
The type woman want to be with
And rappers hope he get shot
Eight years in the makin`
Patiently waitin to blow
Now the record with Shinoda`s takin over the globe
He`s got a partner in crime, his shoot is equally dope
You wont believe the kind of shoot that comes out of this kid`s throat

[Tak]

Tak

He`s not your everyday on the block

He knows how to work with what he's got

Makin his way to the top

He often gets a comment on his name

People keep askin him, was it given at birth,

Or does it stand for an acronym?

No. He`s livin' proof,

Got him rockin the booth

He`ll get you buzzin quicker than a shot of vodka with juice (juice)

Him and his crew are known around as one of the best

Dedicated to what they do n give a hundred percent!

[Mike]

Forget Mike

Nobody really knows how or why he works so hard It seems like he`s never got time

Because he writes every note, and he writes every line

And I`ve seen him at work when that light goes on in his mind

It`s like a design is written in his head every time

Before he even touches a key or speaks in a rhyme

And those motherfrackers he runs with the kids that he signed?

Ridiculous, without even trying, how do they do it?!

[Chorus]

This is ten percent luck,

Twenty percent skill,

Fifteen percent concentrated power of will,

Five percent pleasure,

Fifty percent pain,

And a hundred percent reason to remember the name!

This is ten percent luck,

Twenty percent skill,

Fifteen percent concentrated power of will,

Five percent pleasure,

Fifty percent pain,

And a hundred percent reason to remember the name!

[Outro - Mike]

Yeah!

Fort Minor!

M. Shinoda, Styles of Beyond!

Ryu, Takbir!

Machine Shop!

Nara Namida is a shy young chunin from the Village of the Snow. She was born with a health condition that gives her a weak immune system. It is only harmful if she catches a bad virus; otherwise it just gives her the occasional cough. She stutters a lot when she talks. Her past taught her to trust no one and to accept help from no one, so if anyone she doesn't know or is afraid of approaches her, or if anyone tries to help her, she will lash out on them. However, if anyone she cares for is in danger, she will risk her life to save them, even if it means letting the demon inside her take control. Her demon can only come out if A) Her curse mark strongly reacting or B) through strong emotions (mainly sadness and anger). She gets really grumpy and depressed on July 18, since that was the day her family was killed, and the day a year after that she received the curse mark. She lives in a small hotel with her dog Momo.

Song: Get Up- The Superchick

I'm not afraid to fall

It means I climbed up high
To fall is not to fail
You fail when you don't try I
'm not afraid to fall
I might just learn to fly
And I will spread these wings of mine.

If I get up, I might fall back down again
So let's get up, c'mon
If I get up, I might fall back down again
We get up anyway
If I get up, I might fall back down again
So let's get up, c'mon
If I get up, I might fall back down again
And I might fall back down again
And we'll, just jump and see
Even if it's the twentieth time
We'll just jump and see if we can fly.

I'm not afraid to fall
And here I told you so
Don't want to rock the boat
But I just had to know
Just a greener side
Or can I touch the sky
But either way I will try.

If I get up, I might fall back down again
So let's get up, c'mon
If I get up, I might fall back down again
We get up anyway
If I get up, I might fall back down again
So let's get up, c'mon
If I get up, I might fall back down again
And I might fall back down again
And well, just jump and see
Even if it's the thirtieth time
We'll just jump and see if we can fly.

I'm not afraid to fall
I've fallen many times
They laughed when I fell down
But I have dared to climb
I'm not afraid to fall
I know I'll fall again
But I can win this in the end.

If I get up, I might fall back down again
So let's get up, c'mon
If I get up, I might fall back down again
We get up anyway
If I get up, I might fall back down again
So let's get up, c'mon
If I get up, I might fall back down again
And I might fall back down again
And well, just jump and see
Even if it's the fortieth time
We'll just jump and see if we can fly.

If I get up, I might fall back down again
So let's get up, c'mon
If I get up, I might fall back down again
We get up anyway
If I get up, I might fall back down again
So let's get up, c'mon
If I get up, I might fall back down again
And I might fall back down again.

History: The long scar reaching from her neck to her ankle was given to her by Chimimaru when she was 5 years old, when she tried to keep him from killing her parents. She only saved her father, and he died from blood loss about a day later. Afterwards, she was teased by all of the children in the Kirigakure village, and ran off. She built her own boat and, somehow, made it after a few weeks to the village of the sand. There, she was trained by Tsuna, the Kazekages wife. But after an attack from the Rain Village, the sand village truly hates her. Before she was chased out of the village, villagers gave her the mark of love under her eye, remarking how it will be the one thing in life she will never have. Once in Konohakure, she took the Chunin exam at age 11, and passed. She spent her time training, and soon she was transferred to Koiki's Class, which is a class for elite Chunin. Before going, she scratched the signs of the Village of the Sand and of the Mist, to remind her what she had been through these last few years, and to remind her that she can never go back to that time.

Song: Everything Burns- Ben Moody and Anastacia

She sits in her corner

Singing herself to sleep

Wrapped in all of the promises

That no one seems to keep

She no longer cries to herself

No tears left to wash away

Just diaries of empty pages

Feelings gone a stray

But she will sing

Til everything burns

While everyone screams

Burning their lies

Burning my dreams

All of this hate

And all of this pain

I'll burn it all down

As my anger reigns

Til everything burns

Walking through life unnoticed

Knowing that no one cares

Too consumed in their masquerade

No one sees her there

And still she sings

Til everything burns
While everyone screams
Burning their lies
Burning my dreams
All of this hate
And all of this pain
I'll burn it all down
As my anger reigns

Til everything burns
Everything burns
Everything burns
Everything burns
Watching it all fade away
All fade away
Everyone screams
Everyone screams
(Watching it all fade away)

Til everything burns
While everyone screams
Burning their lies
Burning my dreams
All of this hate
And all of this pain
I'll burn it all down
As my anger reigns
Til everything burns

Everything burns
Watching it all fade away
Everything burns
Watching it all fade away

History: Tsuna was born in a small town in the Earth Nation, to a clan that specialized in bending Metal (.....LONG story....kinda like those Sand Benders in the desert). When she was nine, the Fire Nation invaded her town, killing her parents and destroying the village. Tsuna was captured and kept as a tool for the Fire Nation for 3 years. Recently, she rebelled and tried to escape.....but it didn't work. She confronted Azula, and got a serious burn on her abdomen (like what happened to Zuko's eye). She hates most Fire Benders (not Uncle Iroh....but who can hate him?), but is fascinated by the art of Fire Bending itself, since the motions used are very similar to her style of bending. She is forced to travel with Smolder on her quest to capture Aang.

For her age, she's very mature and well spoken, although she looks like a little kid. She has a scar over her left eye from an accident in a construction site.

Nira has a crush on Toboe, but doesn't try to let it show. She always mothers over Toboe, caring for him and tending to his wounds. When Toboe was killed, she went into a state of depression, and ran from the pack, only to rejoin them later.

Song: If Everyone Cared- Nickelback

From underneath the trees, we watch the sky
Confusing stars for satellites
I never dreamed that you'd be mine
But here we are, we're here tonight

Singing Amen, I'm alive
Singing Amen, I'm alive

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
We'd see the day when nobody died
And I'm singing

Amen I, I'm alive
Amen I, I'm alive

And in the air the fireflies
Our only light in paradise
We'll show the world they were wrong
And teach them all to sing along

Singing Amen I'm alive

Singing Amen I'm alive

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
We'd see the day when nobody died
If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
We'd see the day when nobody died

And as we lie beneath the stars
We realize how small we are
If they could love like you and me
Imagine what the world could be

If everyone cared and nobody cried
If everyone loved and nobody lied
If everyone shared and swallowed their pride
We'd see the day when nobody died

We'd see the day, we'd see the day
When nobody died
We'd see the day, we'd see the day
When nobody died
We'd see the day when nobody died

Matsuna is a bright, chipper, happy girl who was brought up in what looked more like the middle of nowhere than Japan. Her happy personality is partly to hide her condition, which affects her heart, which at first kept her from doing the simplest of things. She met Yoh and the others when her heartbeat became too fast during a shaman fight and she collapsed. Her spirit ally, Hiromi, found Yoh and led him to her, and he brought her back to the En inn, where she stayed for two days until she woke up.

Matsuna has a huge crush on Horohoro, although she tries to keep her feeling hidden, since she thinks Horohoro doesn't feel the same way about her. Although, she has the smart idea of telling Ryu how she feels, and he blabs it out to everyone. Afterwards, her and Horohoro become inseparable. Horohoro almost killed Hao because he hurt Matsuna.

Hiromi, her spirit partner, is actually an old student of Amidamaru. She was raised in the same orphanage as him, and once they got older, he taught her everything he knew. Hiromi witnessed the murder of both Amidamaru and Mosuke, and was murdered herself after trying to avenge their deaths. She's been in service to the Itarashi family since Matsuna was born, and has sworn to protect her till the day she dies.

Matsuna wears a teal kimono top with blue laced capris and teal sandaru. The back of the kimono top, along with the pocket of her capris, is embroidered with the orange blossom, the symbol of the Itarashi family. She wears her hair down, with one thin braid in the front. She also wears a small hair pin with the orange blossom on it.

She often stows away on pirate ships just to get out of Port Royal and on to the sea, where she enjoys herself the most. Then one time, she stowed away on the Black Pearl, where she was found by none other than Captain Jack Sparrow. Song: Final Goodbye- Rihanna

never should have waited
So long to say
What I've always known
Since the very first day
Thought that you would stay
Forever with me
But the time has come to leave

Before we turn out the lights
And close our eyes
I'll tell you a secret
I've held all my life
It's you that I live for
And for you I die
So I lay here with you
'til the final goodbye

Holding you close
Close to my lips
Listen intently
As I tell you this
Outside the world
Wages its war
I'll rest in peace
As long as you know

Before we turn out the lights
And close our eyes
I'll tell you a secret
I've held all my life

It's you that I live for
And for you I die
So I lay here with you
'til the final goodbye

Promise you our love
Will carry on
Until time eternal
We belong

Before we turn out the lights
And close our eyes
I'll tell you a secret
I've held all my life
It's you that I live for
And for you I die
So I lay here with you
'til the final goodbye

As I taste your lips
For the last time
I spell out the lyrics
To love in the sky
It's you that I live for
And for you I die
So I lay here with you
'til the final goodbye

Goodbye...

For being the youngest, Aurora is one of the most mature members of the group, probably because she spends so much time with Yumi. She's a strait A student, and a bit of a bookworm, so it's no surprise that she has a crush on Jeremie. However, she keeps her feelings to herself, mainly because of Aeilita. Behind her carefree exterior, Aurora seemed to hide a lot of pain and sadness inside of her. Only two people have really noticed this: Jeremie and Yumi. Overall, though, she's a shy, carefree little wallflower, with not so much as a care in the world.

In the Lyoko world, Aurora is about equal to Yumi in power. She attacks with a bow and arrow, and sometimes with small daggers. She actually has a high defense, even though she has little to no armor at all. With her clothing in this form, and the way her hair is styled, she looks a lot like an elf.
