Chapter 1 - Chapter 1

1 - Chapter 1

To: Yusuke

We laughed

We cried

We sang

We were all together

It seems like forever

Since we last saw you

Your slick black hair

Green uniform

We miss you and each other

To: Kuwabara

You were an idiot

But we still got along

You would fight and fight all day long

Your light orange hair would shine in the light

But your smile is what got you to fight

Where have you been

We all agree that we miss you

Even me

To: Hiei

A small man

But a big mouth

You got into trouble

And always fought

You hated Kuwabara

But that never changed

Sadly we miss you

And I wish we all could once again

Just say "hey"

To: Kurama

Your long red hair

Deep green eyes

Your smile always meant a surprise

We wish we could see you once again

But you are too far away

I just hope that some day

We all can go out to play

I miss the show so much I hope that it goes on again soon!
