Chapter 1 - New wings.

2

1 - New wings.

Her head hung low,
Her heart beating fast.
She runs back through the sacred golden gates,
And is pushed down into darkness.

Her wings now torn and tattered,
And her halo slipping low.
She steps forward to meet her new creator,
But falls to the ground.

Pain sears through her body,
As new black leathery wings burst from her back.
Her old white soft downy feathers bursting into flames,
And blood trickling down her neck.

Her once prized halo,
Now vanished from her head.
In its place grows horns,
As sharp and pointed as needles.

Her eyes are becoming slits,
And her teeth are growing into fangs.
Her once heavenly appearance,
Is replaced by a one of pure evil.

She was once an angel,
Her soul as pure as snow.
But the demon has taken over her,
The demonic angel now shows.
