**Chapter 1 - heaven**

**2**

# 1 - heaven

I wish I could and go back and understand  
Why innocent children were murdered  
Why lives were shattered  
Why families were separated  
I wish I understood the cruel and senseless thing of taking a human life.  
They were no different than you or me  
But they were still tortured  
Made to suffer  
No one deserves that  
I wish I could have helped them in some way  
To set lives free  
To understand their pain and frustration  
No one knows how they felt  
I can hear their screams  
I can hear their cries  
I can hear their fear  
I can hear the children's screams when they find their mother lying on the ground  
Completely lifeless  
I can feel the swoosh of souls climbing the steps to heavens gate  
I watch the documentaries  
I go to the museums  
I look at the pictures  
Trying to imagine what they felt like  
But the fact is I cant  
Unless my own human life undergoes this  
All those poor people  
My heart and soul goes out to all of you  
I'm so sorry this had to happen to you  
But you're safe now  
Now it's your time  
To cross into the greatest kingdom of all  
Heaven
