**Chapter 1 - freedom**

# 1 - freedom

My heart and mind is racing,  
As anger is surging painfully through my veins.  
My body is changing,  
It's changing for the worst.

I'm seeing red,  
My fists are clenched.  
You better start running,  
Cause you've pushed me over the edge.

My mind is focused,  
My body ready.  
For too long you've criticised me,  
So now you are punished.

For too long I've been hidden in a corner,  
Taking in all the threats and taunts.  
But now I'm standing up for myself,  
And you don't know how dangerous I am.

I want to hear you whimper,  
To see your blood trickling down your face.  
For once, I want to feel safe,  
Unaware of any problems.

So today I'm going to make you pay,  
For all the suffering you caused me.  
And to set my self free,  
From my greatest fear.

You.
