Chapter 1 - fallen

2

1 - fallen

I try to contain them,
Try to not show any emotion.
But I can't stop them,
They run freely down my cheeks and onto my lips.

I can taste the salty sweetness of them,
It's like my souls blood.
But I don't want to feel the pain,
Why won't it go away???

But at the same time I feel better,
Like it's draining all the pain and frustration away.
I feel so confused,
What is going on in my mind?

My tears drop like wet crystals,
Onto the dry, dusty floor.
It's like my souls cutting its wrists,
And the blood is that clear fluid being absorbed into the ground.

So many emotions made these tears,
Too many too count.
Anger, depression, pity,
But at the same time relief, gladness and happiness.

I don't know where they came from,
And I don't know who made them, but I'm glad.
And so here I am,
My face tear-stained but smiling.

For once, I'm content.
