**Chapter 1 - Waiting**

**2**

# 1 - Waiting

It's sort of lonely here  
sitting by this phone  
tell me how would you feel  
if you were all alone  
in the deepest part of night  
when your heart seems to moan

Looking to my left  
I wait for the ring  
just to hear your voice  
and the happiness it can bring  
so I wait, and I try  
waisting time on this heavenly thing

It's been three years now  
and I'm still on my own  
I've waited this long  
but I can feel in every bone  
you won't call me back  
no matter how much I groan

So you left me here  
to sit and die  
you won't just come back  
even thoguh I try  
you left me here  
and now I cry

Would you call me  
if I prayed hard enough  
Would you call me  
if I asked again and again  
Would you call me  
please tell me why  
I'm sitting here alone tonight
