**Chapter 1 - Alternate Happy Feet**

# 1 - Alternate Happy Feet

Another random dream& this one isn't really scary, just weird

Well& a quick note, I HATE HAPPY FEET, the only reason that I probably had this dream was because every one wouldn't stop bothering me about it, so it came to me in a dream, well,.. Here it goes

(in happy feet, ya know the scene where every body was sitting in front of the ocean, waiting to jump in, that's what part of the movie I was in, k?)

So I think it was that I had woke up late and I didn't get to the ocean early, because by the time I got there, every one was in the water, and I was ironically the last person in as opposed to mumble who had made in first

Well so I jumped in (I forgot to tell you, I was a penguin in the dream) but then I quickly hit the bottom& for some reason, it wasn't an ocean, it was a lake& WTF, a lake in the middle of the artic?

Well anyways, I swam around for a little while doing random shoot, when I eventually met up with these random characters that had nothing to do with any thing.. I think one was a weasel, another was a bear, and some random pink bird thing& WEIRD? So I talked to them I dunno what I said, this dream was quite some time ago, but I remember the weasel saying something about the lake being polluted by magical forces& I have no idea, next thing I know, the lake was a dark brown color, and it turned murky and disgusting& WTF?

So I went on some random quest to find the magical forces polluting the lake& which took like 2 seconds& so then I went down a sewage pipe& and I saw a random FBI agent, so I wrote down on a piece of paper

I WANT TO SAVE MY LAKE

So then the FBI guy gave me a radioactive suit and a bomb that had the power of a nuke& after that I went to the mall with the FBI guy and went into McDonalds, set off the bomb, and blew the crap-outta the place& which some how saved the lake&?

And then my dream ended

So in the end, really& I blew up McDonalds to save a lake? WTF???
