1 - Untitled

What's done is done
What's said is said
So close your eyes
And go to bed

No need to cry
No need to fear
Don't worry boy
The knife is here

I shall not sleep
I shall not stay
I sense them near
Let's run away

The night is still
The night is old
It keeps out tale
That's never told

The girl is done
The girl is dead
So close your eyes
And go to bed
