**Chapter 1 - Eternal Night**

# 1 - Eternal Night

Eternal Night

She lights the sky, the crescent moon;  
Illuminates the dark and silent gloom.  
Against fear and fright:  
Streaks of light-  
From stars that guide you through the night.

The wind whispers sweetly,  
The trees she soothes.  
The leaves and branches she gently moves.  
As stars wait for days a new,  
The sky cries quietly:  
Hoping that the earth will hear,  
As on open-eyed flowers, fall acid tears.

-Her enchanting moonlight.

She is graceful:  
She is light.  
She is beauty:  
She is forever eternal Night.
