"where are we going mommy?" the little girl with very short silver hair asked her mother who held her hand and guided her through the airport "to Russia" the girls mother said the little girls dragon like eyes grew in confusement "why are we going to Russia's house mommy who's Russia?" the girl asked her mother chuckled "Russia isnt a person sweetie, Russia is a place, and we're going to live with Aunty Kendra for a while" she said looking down at the your girl who was now smileing "yay!! we get to see aunty Kendra, we get to see aunty Kendra" the little girl singed now bouncing around at her mothers side. the young girls mother was pregnant and her father was away at buisness so the two where going to stay with her aunt until the baby was born. the young girl didnt want to leave that much though she had two close friends here that she would really miss but being a little child, she had no say in the matter "Mommy?" the girl asked after she finally stoped bouncing "yes dear?" her mother look at her "is Russia far away?" the girl asked her mother bent down to her daughter eye level "yea sweetie, Russia is very very far away from here" her mother said the girls eyes lost their happy shine "but Mommy, i want to go play with Yuri and Sango (her two friends)" the girl said "you'll get to play with them when we get back" her mother said standing up and pulling her along again "Mommy" "yes" "are we back yet?" her mother only replied with a chuckle

"Serena!" called a voice standing in the door way of a huge white house stoud a thin woman she long grayish hair (i think her hair was silver.....or was it blonde?.....i dont remeber.....well i know it was long!!.....\*shrugs\* oh well) and she dressed all in white she also had a lab coat on "Aunty Kendra!!" the little girl yelled jumping out of the black car she was in and runing toward the woman "is that my little princess?" woman said spreading out her arms welcomeing the young girl who leaped into her arms "its good to see you Kendra" the little girls mother said "you to Serena" Kendra said smileing then looked down at the girl snuggleing her in her arms "my, have you grown little one" Kendra said the little girl stoud up strait like a soilder "uh huh, mommy says ive grown a whole inch!" she said going on her toes but stumbled then caught herself Kendra chuckled "yes you have" Kendra said then stoud up "come on, lets catch up on old times inside" Kendra said

"and i made the whole thing all by myself!" Kendra smiled at the young girl "my,my, such a big girl!"

Kendra said the girl smiled with pride "yupe! i help mommy alot" she chirped makeing Kendra laugh "well im got back to the Abbey later, would you like to come with me small lady?" Kendra said (Kendra calls her names that have to do with her being little as in young like little one, small lady, little princess ya know stuff like that) the young girl noded "ok Aunty"

the little girl looked around the Abbey seeing kids way older then her they were Beybladeing, she loved to Beyblade well she never did beyblade but she loved to watch "come now, Small lady, i want you to meet someone" Kendra said walking along the girl ran after her and grabed her hand "who Aunty?" she asked "you'll see" Kendra said a few minutes later Kendra stoped "Kai" she said the girl steped behinde her Aunt she became very shy she peeked alittle to see a boy her age the one her Aunt cally Kai he had hair with two different colors gry and blue he turned and looked (when it comes to characters that i havent made up, i suck at descriptions both with the face and the cloths, but for my OC's i just love makeing up little outfit for my characters to wear and doing their hair styles it's so much fun!! ^\_^) at them "Kai i'd like you to meet my neice, oh!" Kendra said in surprise seeing the the little girl wasnt next to her now and then looked behinde her the girl was now clingeing to the back of Kendra's lab coat she was very shy "oh, come now small lady, come out from behinde there so you can meet Kai" Kendra said the young girl steped out tugging her dark green knee high skirt down alittle the two children made eye contact "lilittle one, this is Kai Hiwatari, he's the grandson of my boss" Kendra said "Kai, the is my little princess or neice, Mayu"

## 2 - the Bit Beast Virgo

Kai stood in wonder at the girl named Mayu's eyes she did the same Mayu blushed and tried to hide behind Kendra again but Kendra stopped her "now, now, small lady don't be rude, it's ok, you don't need to shy go on introduce yourself" Kendra said gently pushing the young girl she stumbled forward and caught herself in front of Kai she looked up at Kai blushing "uh, um hello it's nice to meet you" Mayu said bowing "uh" Mayu looked at the puzzled Kai she straightened up and then noticed she was shorter than Kai at least by one or two inches "why are you bowing for?" Kai asked Mayu tilted her head at Kai "what do you mean?" Mayu asked "you bowed to me, why?" Kai asked Mayu thought for a minute "why?" she repeated Kai "hmmm, to say the truth.....i don't really know" Mayu said then turned to her aunt but saw that she was gone "aunt Kendra?.....Aunt Kendra!!" Mayu yelled calling her Aunt but there was no answer "strange.....where did she go" Mayu said "while you waiting.....do you beyblade?" Mayu turned and looked at Kai then shook her head "no" she said "you wanna learn?" Kai asked Mayu's face lit up and she nodded "yes! that would be wonderful!" Mayu said

"Aunt Kendra!!" Kendra turned to see Mayu speeding towards her "small lady!" Kendra said bending down and opening her arms again Mayu ran into them and hugged her Aunt tightly then let go "Aunt Kendra look! Kai gave me a Beyblade!" Mayu said holding up the top it was electric blue and silver "oh it's so pretty" Kendra said Mayu smiled Kendra stood up and held Mayu's hand "I'm leaving for the night" Kendra said "be careful out there on the road Kendra, I heard the roads are really icy" one of the workers said Kendra nodded and then looked down at Mayu "ok now little one are you ready to go back home" Kendra said Mayu nodded "Miss Kendra" Kendra turned to see Kai "is Mayu coming back tomorrow?" he asked Kendra smiled "well that depends, small lady do you want to come back and play with Kai tomorrow?" Kendra asked Mayu looked at Kai for a minute then smiled and gave Kai a thumbs up "of course I will, you still need to teach me more" Mayu said making Kai smile and wave her good bye Mayu waved as well and then headed out

"so what are you going to name your Blade little one" Kendra asked driving down the road "well my sign is Virgo so I think I'm gonna name it Virgo" Mayu said Kendra smiled "that's a good name" Kendra said taking her eyes off the road for one minute the one minute that would be fatal as Mayu looked up at the road "AUNT KENDRA!!" Mayu screamed Kendra turned back to the road and screamed there was a car heading for them "what is he doing on the wrong side of the road!" Kendra yelled making a sharp turn trying to avoid the car. the car skidded across the icy road Mayu screamed as the car began to spin out of control the car spun off the road and began to tumble into the forest "small lady!" Kendra yelled she still heard Mayu screaming but everything was going by so fast she couldn't see her Kendra flew from the car tumbling into bushes she could no longer hear Mayu's screams Kendra felt around frantically she opened her eyes to see she was in the woods she had cuts and bruises and she was bleeding from a lot of spots on her body "small lady!, small lady!!" Kendra called "little one! little princess!!" Kendra yelled "MAYU!!!"

Kendra slipped and stumbled on her way up the hill "is anyone down there" Kendra shielded her eyes as light shined in her eyes the rescue team pulled her up onto the road they looked at how frantic she was "miss are you alright?" a man asked Kendra didn't care about what happened to her all she was truly worried about was Mayu "please, my niece, my niece Mayu she's somewhere down there!" Kendra

yelled "please! help her she's just a little girl" the man turned from her "i need back up, it's seems that there was a little girl inside of the missing vehicle" he said then turned back to Kendra "dont worry Miss we'll find her" he said Kendra just noded

(ok imma go back to when Kendra fell out of the car) Mayu screamed being tossed around the car "Small Lady!" Mayu heard her aunt call her Mayu kept screaming to give her aunty a sign that she was still alive Kendra kept calling her but the next minute her voice was gone "Aunty Kendra!" Mayu yelled the was no anwser "Aunty Kendra!!" Mayu yelled louder while the car tumbled soon all the confusement ended with a huge crash and knocked Mayu out

Kendra sat in the ambulance car she refused to leave until she knew if Mayu was ok Kendra listend carefully to the police talking it had bin an hour or so since they found Kendra "still no sign of the car or the little girl, the car must have tumbled a long was" Kendra heard over the police radio. the rescue teams split into three teams and was combing the area for any signs of the car or Mayu "this is team 2 we've just found the Vehicle, we've checked inside, the young girl inside the car, i repeat the young girl is inside the car" Kendra jumped from the back of the truck "where is Mayu!" she yelled "we need to act quick, the vehicle is hanging off the side of the moutain by a tree trunk it isnt going to hold any longer" Kendra heard "we're on our way" one replied Kendra cut in "please let me come with you" Kendra told him he gave her an unsure look "she'll respond to me, she might run away if she's surrounded by strangers" Kendra said the man noded

Mayu groaned slowly opening her eyes the car was upside down and slightly sideways "Aunty Kendra?" Mayu looked around she didnt see her the car was tipping to the side more and more Mayu was geting scared she clenched her blade tightly "some one help me" she said her blade started to shine white "huh?" Mayu looked down. next thing she knew she was surrounded by white light Mayu looked around she heard loud screeching like a bird "whats going on?" she said Mayu saw a pheonix the flames burned bright on it Mayu's eyes grew wide emergeing from behinde the pheonix was another one but it was pure white it flew over to her and flew around her the name came to her quick "Virgo" Mayu said the bird took form into a female human she reached out a hand and Mayu grabed it and the light around her shined brighter

"Mayu!" Kendra yelled slideing the hill and running up to the car "small lady!!" Kendra called it was to late the tree gave way Kendra screamed as the car plunged down the side of the moutain she watched helplessly as the car fell as soon as the car hit the bottum it was engulfed in flames Kendra screamed in pain and began to cry falling to her knees

Mayu sighed siting up she was sitting in the woods now she stoud up and walked down the hill to here screaming and crying Mayu after awhile saw her aunt on the ground crying "Aunty Kendra?" Mayu asked emergeing from behinde a tree everyone turned and saw her Mayu was completley un harmed, no cuts ,no bruises, nothing Kendra ran towards her "small lady!" she yelled then hugged Mayu "Mayu!" Mayu gained a confused look "are you ok?" Kendra asked Mayu noded (as you can see i like the nick name 'Small Lady' so imma be useing that the most)

Mayu sat byherself in the hospital room she had the strangest feeling to look at her blade she looked and gasped to see the girl woman she saw before she woke up in the woods "wow" Mayu said "Mayu!" Mayu looked up to see Serena who ran to her and huged her "oh sweety are you ok?"Serena said "im ok mommy" Mayu said 'how did the person get in there' Mayu asked hereself
