Chapter 1 - The Only One

2

1 - The Only One

Playing a game on good ol' Coag
This game is receiving no lag
Green hills and steel bases
Hiding in so many places

Boxes flying from plasma guns
Others killing me like the huns
Jumping in pits to dodge the bullets
I'm fighting MCs with their mullets

Ducking down to find cover
Heat-seeking bullets, Oh brother!
Now I'm waiting to respawn
Because I've been killed and now I'm gone

Auto-aiming and sniper rounds
Long-ranged shotguns and grenade sounds
Tracer rounds and rocket trails
This area is getting stale

We go into the pregame lobby
Going to a Halloween Lockout is my hobby
Zombies running around with hate
Modding on Halo 2 is great...
