I wrote this for school.

A lot of people like it.

So I put it on here, and see what you guys think.

1 - Day In and Day Out

Do you see them?
While they sleep on the street,
While they eat out of trash cans,
While they do the dirtiest things to survive,
Day in and day out.

Do you hear them?
As they beg for food,
As they cry from hunger,
As they plead for warmth,
Day in and day out.

Have you noticed,
What they do to survive,
What they are showing you,
How they have to live,
Day in and day out.

When you're down,
When your life is going wrong,
When you think everything is horrible.
Think,
How they have to live,
Day in and day out.

How hard,
Lonely,
And horrible their life is,
Day in and day out.
The homeless.
