MAGICIAN

the curious masses

create a ripple

it shudders through the crowd

as they watch his unblinking eyes.

my spine tingles

as I watch his hands

scrutinizing eyes stare,

his hands

flare with a glowing green light.

this pure clear green

flickers and erupts

a pure clear blue.

my blood turns to ice

as his eyes face mine.

I don't know why

but he fills me with fear.

he blinks and the crowds vanish
his power radiates from within him.
I'm all alone
with him
the most powerful being
there ever was.

he could kill
with one wave of his hands
where these beautiful flames
have erupted.

he moves closer
the heat burns my heart
his eyes pierce my soul.
his hands waves
and my body collapses.

my mind drifts away

I see my body
lifeless
but I am captured.

he holds me

in his hands

and laughs

an evil laugh

that chills

my incorporeal soul...
