**Chapter 1 - Divorce**

**2**

# 1 - Divorce

You feel pain

This moment always makes you cry

You just can't help these feelings inside

~\*~\*~

Is it your fault?

Did you cause all the hate?

Of course it is not,

But it is far too late

~\*~\*~

It's happened before

Nothing really new

Not anymore does it happen to few

But of course fate has taken the dark side with you

~\*~\*~

You feel fragile inside

But on the outside you play tough

You yell and scream that this is enough

~\*~\*~

What will happen?

How can it be?

So much love

It was once the key

~\*~\*~

Now it drifts

Leaving you far behind

So you can break free

And learn to just cry-
