1 - I have to take care of you?

Disclamer:I do not own Yu-Gi-Oh GX! I only own Sakura, Kit, Xander, and a few cards. Okay on with the story.

A girl with black hair with silver, gold, soft pink, ice blue, aqua streaks and sapphire tips. Her soft blue eyes had tinges of silver and violet in them. She was not bored with her class she was the top student for the females, Zane Truesdale was the top student for the males. Finally the class was dismissed as the girl walked she was thinking of something so she was not paying attention to where she was going. She almost tripped but she caught herself, which was hard considering they were steps. "Oh my gosh the sooner I get out of class the better." the girl whispered to herself. As she stepped into the courtyard, she heard her name. "Sakura." said a boy. "Oh hey Jay." Sakura said. "Are you okay Sakura you seem a little distant." Jaden said. "I'm fine we may be siblings Jay but I'm fine." Sakura said smiling. "If you say so Ura." Jaden said. "I'm serious Jay I'm a third year in Obelisk Blue, I can take care of myself." Sakura said. "Okay Ura." Jaden said as he walked away. "Brothers sometimes." Sakura whispered. Sakura walked around campus when it got dark she went to her dorm, on one side was Alexis's room it adjoined to her room, the other side was and empty room that adjoined to her room as well, she got changed for bed, and laid down to rest. As she woke up Sakura walked to her computer and logged on to her screen name. Which was ElementAngel89, she looked for her mom's that is DarkMagicainGirl82 or DarkMagicain82 that is her dad's. She saw FireAngel91 that is her little sister or Jaden's twin. "Hey Kit is mom or dad up?" Sakura typed "Yes mom's up." Kit replied. "Can I talk to her?" Sakura typed. "Sure hold on." Kit typed. "Baby what's up?" Her mom typed. "Boy troubles." Sakura typed. "What do you mean by that baby?" her mom asked. "Well Ray and I broke up and I'm thinking about Zane Truesdale, or something hold on mom someone's at my door." Sakura typed. Sakura walked to her door as she opened it a small bundle wrapped in a blue blanket was by her door. "This could be bad." Sakura said to herself picking up the bundle. She closed the door she sat by her computer her mom had signed off. "Great maybe the chancellor is up." Sakura said to herself. You know I'll just get to him in the morning or something. Sakura thought. Sakura looked at the computer the name DarkMagiciain82 had show up. "Hey dad is mom still up?" Sakura typed. "Sorry honey she went to sleep is something wrong?" Her dad typed. "Yes." Sakura typed. "What's wrong honey?" Her dad typed. "When I told mom to hang on I found a blue blanket with a baby inside outside my door." Sakura typed. "Oh no, honey just take care of it give it a name and just let me go wake your mom." her dad typed. Sakura sat in the chair with the baby. "How about Xander hmmm." Sakura said. The baby giggled. "Xander it is." Sakura said. Sakura looked at the screen it was almost time for class, which means she might want to change, so she signed off and changed into her uniform, brushed her hair and put it in a bun, grabbed her deck and duel disk and Xander and stepped out of her room. Sakura went to go see Chancellor Shepherd. As she, knocked Xander started wiggling. "Xander hold on okay." Sakura said she kissed him on the head she hear the come in so she walked in. "Chancellor I know it's right before classes but um I found a baby in front of my door this morning, and I was wondering what to do." Sakura said. "Take your teachers this note, and grim and bear it, the clothes you can handle right, well the food you can to, and the dippers I don't know about that do you?" Chancellor Shepherd said. "I can make some I did it a few times with Jaden and my sister." Sakura said felling better. When Chancellor Shepherd handed her the note she dashed to her first class, after a hurried thank you. As she stepped in the class, she knew she was late. "Ms. Yuki you're late." The teacher said. "Yes sir, um here and I need that

back." Sakura said handing him the note. He looked at the bundle then the note. "Oh, okay just go to your seat." the teacher said. As Sakura was going up a second year Obelisk male made a comment. "Hey when did you get laid Sakura, seems she's not perfect." the male said. "Excuse me repeat that for me." Sakura said being polite her eyes had gotten cat slits, quick as they came they were gone. "When did you have the kid." the male said. Sakura shifted Xander to her other arm and slapped the guy and went to her seat, as she sat there she was thinking what she would tell Jaden. As the bell went, she got up and went to her next class, the teacher got the note and the news about the guy being slapped traveled because there were no remarks. Sakura did the same thing over and over again when lunch came she was starving, as she walked her mind was racing. As Sakura was feeding herself and Xander, she was concentrating so hard on feeding the baby when her name was said she jumped. "Yes." Sakura said picking so food out of her hair. "Jumpy much sis." a girl said with black hair and brown eyes. "Wait when did you come to Duel Academy?" Sakura asked the girl. "A few minutes ago." the girl said. "Great more Yuki's, anyway it's good to see you Kit." Sakura said. "Hey are you complaining?" Kit asked. "No." Sakura answered. "Ms. Yuki umm this is from someone." a first year said. "Which Yuki?" Kit asked. "He means me Kit, thanks." Sakura said. As Sakura read the note, she smiled. "Kit I hate to eat and run but I have to." Sakura said. Sakura got up and dumped the remains of the food and left. Kit shook her head, "I wonder where Jaden is?" Kit thought. As Kit finished her lunch, she wondered the grounds to find Jaden. She saw her brother and ran to him she hung her arms around his neck. "Hi Jaden." Kit said excitedly. "Hi Ura." Jaden said not looking at who was hanging on him all he saw was the blue and white. "No fair Jay I'm not Ura." Kit said pouting. "Kit." Jaden said looking at his twin. "No I'm a pixie." Kit said. "Sorry, see you made it to Obelisk too, have you seen Ura." Jaden said. "Yhea I sat with her for lunch for like five seconds and then she had to leave did you see that cute baby she has know." Kit said. "What, Jay Sakura had baby?" Syrus asked. "I don't know maybe that's why she was in a distant mood yesterday." Jaden answered. "Are you guys talking about me?" Sakura asked walking over. "Are you feeling okay?" Jaden asked. "Let's see I have a kid, a boyfriend, I couldn't be better." Sakura said. "Wait boyfriend." Kit said. "Yes it's a boy that you go out with." Sakura said. "And the kid is just an added bonus." Kit said. "No, he was left in front of my door this morning." Sakura said. "Ohh, so who's the boy?" Jaden and Kit asked. "Not going to tell." Sakura answered. "Do I know him?" Jaden asked. "Yes, Syrus knows him to." Sakura answered. "This could be hard." Jaden said. "Just a guess Ura how about Zane?" Syrus said. Sakura blushed. "Ah, you're going out with Zane." Jaden said standing up. "Jaden don't get Avian's feathers in a bunch now sit down." Sakura said. "My brother." Syrus said. "Yes we covered it already now can we move on!" Sakura said frustrated.

Fin Chapter 1 done.
Next time what will Sakura's relationship with Zane go and what about little Xander?

Sakura finished her breakfast and left the dorm today was Saturday, the weekend, Sakura walked to the beach and laid there for a little while just thinking. Jaden sits next her. "You felling better sis?" Jaden asked. "Better." Sakura replied. Just then, Syrus came to set next to the two, and then followed by Alexis. "I think I'll go for a walk." Sakura said leaving the gang on the beach; she first stopped by the dorm to change. She got out a light blue shirt put it on and a matching skirt as short as her school one. She left the dorm in less then two minutes. Sakura sighed not noticing a movement. "Huh what." Sakura said, and fell back. Just before she hit the ground, she stuck her hand behind her and got most the fall on her hand. "Zane is that you?" Sakura asks after she got up, her hand throbbing in pain. "Hmm." said Sakura. She walks off, to nowhere in particular. When she catches movement out of the coroner of her eye. Ray had stopped in front of her. "Out of my way coward." Sakura hissed. "Come on what happened to the relationship we had." said Ray. "That ended when you ended it." Sakura hissed, at him. "Step out of the way for the lady." said Zane. "Thanks Zane." said Sakura, just to make Ray

mad she went up and gave Zane a quick kiss on the check. She watched, as Ray got mad, and stormed off. Sakura left things the way they were and went to go find Jay and the gang. She found them still at the beach. "You guys haven't moved." said Sakura shocked. They heard a little cat sound and started looking around. "Hold on guys, that's my PDA." said Sakura and she walked off. She was gone for about an hour. "That was a long conversation." said Jaden. "Oh be quiet." said Sakura. "So what are we doing tomorrow?" Syrus asked. "I was thinking of going for a walk." said Sakura. The gang was just staring out on the ocean when a silver box that was on the tide came to Sakura's feet. "Hmm what is it?" asked Jaden. "Like I know." answered Sakura. Sakura sighed. "What was the sigh for sis?" asked Jaden. "I tell you what's wrong if it stays here and no one else hears about it." answered Sakura. They agreed and Sakura stared. "Okay…. Ray and I had been going out for a year, when we got here first year so when I was fifteen, I was in Obelisk blue, he was Ra yellow, he saw this girl, I knew from the way he looked at her, that he liked her, so this year, he dumped me for her." Sakura ended. "Oh." said Jaden. "Yhea, well I think it's time for bed guys." said Sakura. The sun had set. "Okay." said Jaden. Jaden and Syrus went to Slefier Red dorm and Sakura and Alexis went to Obelisk Blue, Sakura carried the silver box with her. Alexis went to bed, but Sakura stayed up. Sakura opened the box to find a bunch of silver pieces in it. "This could take forever to put it together." said Sakura with a sigh. Just then, she heard a knock on the door, she put the cover back on the box, and moved it. "Hello." said a girl with long black hair and aqua highlights. "Hello what can I do for you?" Sakura asked. "I'm Rose Hiwatari, and I'm looking for Sakura Yuki." answered Rose. "Nice to meet you Rose, and your looking at Sakura Yuki." Sakura said. "Oh, can you tell me where to find the dorm I'm in?" Rose asked. "Sure." Sakura answered. "Where did you fall into, Rose?" asked Sakura. "Oh, Ra Yellow." Rose answered. "Okay, who said you should come to me?" asked Sakura. "Umm… Professor Kai." said Rose. "Okay, here we are." said Sakura stopping in front of the dorm. "Thanks." said Rose. Sakura walked back to the dorm to get stared on the puzzle. She got there and started and got halfway done when she heard a knock on the door. She quickly, covered it and put it away. She opened the door to find Zane standing there. "I didn't wake you did I?" Zane asked. "No, I was up, couldn't sleep." Sakura answered. "Oh, do you want to go for a walk?" asked Zane. "Sure." Sakura answered. Sakura and Zane walked down to the beach. They stop and look at the sea. "Hmm what are you doing tomorrow?" Sakura asked Zane. "I don't know but I think it's time to get some sleep." answered Zane. "Okay." Sakura said. She walked back, and finished the odd silver thing. "I knew mom teaching me Egyptian, would pay off, lets see it says "The Millennium Pyramid." Sakura read.

Sakura had just finished the Millennium Pyramid. Sakura had found a chain in the box to. She put it around her neck, and an odd blue light surrounded her. She found her arms moving to her legs, then her body, her hair, each arm went over the other, and finally around her neck. The blue light went away to show Sakura in a very different outfit, kind of like Yami's in Enter the Shadow Realm, with differences, instead of pants she had a skirt, and she had high-heeled boots. Alexis came to ask Sakura a question and say the whole thing. "Um Sakura, are you okay?" asked Alexis. "I feel fine…um?" asked Sakura, well actually Yami Yuki, but Alexis doesn't know that. "Alexis, come on Sakura your kidding right?" asked Alexis. "Actually it's Yami Yuki." said Yami Yuki. "Okay." said Alexis. "Girls what are you doing up?" asked Dr. Crowler. "Just talking." answered Alexis with her hand over Yami Yuki's mouth. "Yami Yuki, can you become Sakura again please?" asked Alexis. "Sure." answered Yami Yuki, a blue light surrounded Yami Yuki, and after it disappeared, Sakura was back, really tired. "Night `Lex." said Sakura. Sakura fell on her bed and fell into a nightmare. She tossed and turned. She saw Yami, he was holding out his hand, she grabbed it and she became Yami Yuki. "You can do this Yami Yuki." said

Yami. "Do what?" Yami Yuki asked. Yami never answered because he vanished and she was left in the dark. *"Sakura…Sakura….Sakura." Jaden said.* "Who what when where and why?" Sakura asked. "Relax sis, your PDA's has been ringing for a hour." said Jaden. "Who's calling me?" Sakura asked. She felt something poke her stomach; she looked down, the events of last night flooded back to her. "Nice Pyramid Sakura, oh and to answer your question Zane." said Syrus. She blushed a bright pink. "Hey sis why are you in the same outfit you were in yesterday?" asked Jaden. "Because, she has an alter ego." answered Alexis. "Huh." Jaden, Chumley, and Syrus went confused. "Don't ask." said Sakura. Everyone left it at that, Alexis, Jaden, Syrus, and Chumley went to go get breakfast. Sakura moved her boom box to the front of the dorm, looked for her CD, and put it in. At the lunch hall, everything was buzzing because they were putting on a concert, every girl was trying out all but one the one that wasn't there Sakura, even Alexis tried out, and no one made it. "Where is Sakura Yuki?" asked Dr. Crowler. "She wasn't hungry Dr. Crowler." said Jaden. Back at the dorm. Sakura put in the CD, and put it on song 2. Zane was walking by the girl's dorm because he had finished breakfast early. Sakura remembered this song because she trained to it. It started and she sang like an angel, Zane was walking by heard her signing, and pulled out his PDA and recorded it. *Coach said to go on the offence and attack Watch out for the pick and keep an eye on the defense Gotta play your hardest and take the duel But don't be afraid to put a magic or trap card down Just keep ya head in the game Just keep ya head in the game U gotta Get'cha…* she stopped and listened "*Hm Zane is standing outside the door." Sakura thought.* Zane heard the music stop, a moment later Sakura opened the door, Zane almost fell into the female dorms. Sakura blushed a bright pink, and she was sure her cat ears, tail, and fairy wings were showing. "Where is Sakura Yuki?" said a female teacher with short curly blue hair and black eyes. "Right here Mrs. Lily." said Sakura, stepping out from the dorm. "Dr. Crowler is looking for you, oh and bring a CD, nice clothes to." said Mrs. Lily. Sakura just shook her head in acknowledgement, and walked back to the dorm. She told Zane she'd be right back. She grabbed a light blue tube top, and a short blue skirt, grabbed her CD, PDA, and the CD. Sakura and Zane walked back to the lunch hall to meet Jaden and the entrance. "Don't say a word." Sakura hissed at him. "Fine but I have to see you sing." said Jaden, and he walked back in with his sister and Zane. "Ms. Sakura, this way, and your CD if you please." said Dr. Crowler. She handed it to him. She sang the same song she did when Zane was listing. "Very good." said Dr. Crowler. "I know that song." said Jaden. "Of course you do mom trained us to it remember." said Sakura. "Oh yhea." said Jaden. "Nice job Sak." said Chazz. "You know I don't like that." Sakura hissed. "I know." said Chazz. Sakura walked off trying not to jinx him with a spell. "What just happened?" asked Syrus. "I have no idea Sy." answered Jaden. As soon as Sakura was away from a crowd and outside she let her ears, tail, and wings come out to let them soak up the sun. She sighed, she wish she could talk to her dad…wait she could. She ran back to the dorm, and signed on her screen name ElementAngel89, looking for her mom's DarkMagicainGirl82, or her dad's DarkMagicain82, her little sister was on her screen name was FireAngel91"Hey, Kit." Sakura typed. "Hi, Sakura." Kit typed back. "Is mom or dad there?" Sakura typed. "Yes mom." Kit typed. "Can I talk to her?" Sakura typed. "Yes." Kit typed. "Hey Sakura what's wrong dear." her Mom typed. "First I think there are opposite Millennium items, and second boy problems." Sakura typed. "Okay to address the first one why do you say that?" Jaden and Sakura's mom typed. "I got this odd silver box yesterday, and it held the Millennium Pyramid in it." Sakura typed. "Okay, I believe you on to the second one." mom typed. "One guy knows I don't like being called Sak but he does it, and another is about a crush." Sakura typed. "The one that does that is Chazz Princeton." Mom typed. "How'd you know?" Sakura typed. "I know all, know the crush is Zane Truesdale right?" Mom typed. "Mom I know you don't like me saying this but your scaring me." Sakura typed. "Okay, oh and Kit is going to be at your school tonight, she's in Obelisk Blue like you." Mom typed. "Great, ou oh I have to go." Sakura typed and signed off. "Sakura." Syrus said. "What is it Sy?" Sakura asked opening the door. "Don't tell me after I left he

challenged Chazz to a duel." Sakura said. "How'd you know?" asked Syrus. "I know my brother." Sakura answered. Sakura ran off, the Millennium Pyramid hitting her chest, she skidded to a stop right next to Jaden. "Hey Jay, Kit's coming here and how did I know you would do this." Sakura half yelled at him. "No need to yell sis." Jaden said. "How nice of you to join us, Sak." Chazz said. Sakura looked around Alexis, Chumley, and Syrus were the only ones there, Sakura's hands started glowing a soft pink. "Sis don't." Jaden said looking at his sister. "Rose knockout." Sakura said. They all watched as Chazz fell over. "Sorry he got on my nerves." Sakura said. "Sis wait till I tell mom." said Jaden. "You do it and you'd wish you hadn't." Sakura hissed. "Just kidding sis." Jaden said. "Who's Kit?" asked Alexis. "She's Jay's twin." Sakura answered. "Sakura." said a girl that looked like Jaden in every way except the outfit, and the hair was longer. "Hey Kit." said Jaden. "Hey what happened to Chazz?" Kit asked. "I used my powers you tell mom and you would have wished you hadn't." Sakura said. "Testy aren't we." Kit said. Sakura just glared at her. "Sakura Yuki." said Mrs. Lily. "Ra." Sakura said. "Yes Mrs. Lily." Sakura said. "You need to show Kit around the campus." said Mrs. Lily. "Okay." Sakura said dragging Kit with her.
