## 1 - Meet Marhia Potter

Okay if you seen my pic you know what she looks like this is the story of Harry s older sister Marhia. In a house a girl who looked about twelve was just walking up. Marhia, get up we have to go get your school items. Called a woman down the stairs. Coming Aunt Shimo. The girl called. She got up and went to her table and started brushing her hair, she put it in a bun, and grabbed a mini skirt, and a shirt and a jean jacket, she ran down the stairs. She gave a man a kiss on the cheek and ran out the door to find a girl with black hair and green eyes waiting. Sorry Aunt Shimo. She said. Marhia, lets get going. Shimo said. Marhia and Shimo walked down the street to the Leaky Caldron, they walked to the back and opened the wall. Marhia walked out she had enough to get a broom, she ran to the broom store and started looking. She went over to one broom, she liked it she had enough so she grabbed one and went to the counter. She paid and ran back out. Okay, lets go get your stuff. Shimo said. They went to every store and got her stuff, they went back home, she ran thought the door and opened her broom. So you got a broom Marhia? asked the man. Yes Uncle Maturo. Marhia said smiling. Weeks went by and it was finally time to go back to Hogwarts. At the platform. Marhia said good bye and got on the train she didn t notice one first year almost looked like her. Marhia, long time no see. Said a girl with dark red hair and blue eyes. Mint I missed you guess what I got. Marhia said. What. Mint asked. A broom. Marhia said. So are you going to try out for the Quidditch team? Mint asked. Yes. Marhia said. They talked the whole ride when they were almost there, they pulled down the blinds and got changed into the school robes. When the train stopped the grabbed their owl s and left the train. Once they were seated at the Ravenclaw table, all the first years were waiting to be sorted, she wasn t listing to Professor McGonagall, in till Mint elbowed her. What. Marhia said. Listen. Mint said. Harry Potter. Professor McGonagall said. What, I thought I was an only child. Marhia said. A boy with black hair, glasses and green eyes went up. Gryffindor. The sorting hat said. Marhia was shocked then she noticed a girl with ice blue hair with aqua eyes, and a boy with black hair and aqua eyes what caught her eye was they had scars on their foreheads, the girls was a snowflake, and the boys had the sun. I m Frost and this is my brother Kai. Frost said. I m Marhia Potter. Marhia said, her eyes went to the Gryffindor table, trying to find Harry. Who are you looking for Mar? Mint asked. That Harry kid. Marhia said still looking. She only looked back to her table when she saw people start eating she was eating when she felt a tap on her shoulder. Marhia looked up but no one was here. She sighed, all the students got up she went back with Mint to the Ravenclaw. The moment she got in she went to her dorm and fell on her bed. To be continued in chapter two.

## 2 - Frist day of classes

Okay second chapter of Marhia's story. Marhia woke up because Mint was shaking her. "What's up, Mint?" Marhia asked sitting up in bed. "Mar, we need to get down to breakfast," Mint said. "Okay," Marhia said getting up and getting dressed. Mint and Marhia walked down to the Great Hall and sat down at the Ravenclaw table. At the Gryffindor table. "Hermione who is that?" asked Harry pointing to Marhia. "That's Marhia Potter." Hermione said. "What, Marhia Potter, but that means she's related to me." Harry said looking at Marhia. Professor McGonagall was over at the Ravenclaw table giving out their schedules, when she got to Marhia, after giving her the schedule she said something, Marhia got up and left the Ravenclaw table. "Where's she going?" Ron asked. "I don't know. With Marhia. She knocked on a door. "Come in." came a voice. "Good Morning Professor Dumbledore." Marhia said. "Good morning Marhia, as you heard you have a younger sibling, I'm going to give you back your memories back of him." Dumbledore said. He pulled out a thin crystal bottle with silvery contents, he pulled out his wand he pointed to the contents and Marhia and the contents, were her memories of her younger brother. "Well you best get to Potions we don't want you to get in trouble with Professor Snape." Dumbledore said. "Yes sir." Marhia said getting up she looked at the clock and grabbed her book bag and dashed to Potions, she got there before class. "So how'd it go?" Mint asked. "Professor Dumbledore, gave me memories of Harry my younger brother." Marhia said. The door opened and the second years who had Potions first hour piled in, Mint and Marhia sat in the front with two other boys from Gryffindor. "Nice to see you again Marhia." one boy said with black hair and blue eyes. "You to Jeff, Hi Harold." Marhia said. "Morning Marhia, Mint." Another said with black hair and hazel eyes. "Potter, Spice, and the Hiwatari's quite this is potions." Snape said. Marhia listen through potions she had charms next, with Mint and Jeff. Class ended and Marhia, Mint, and Jeff said good-bye to Harold and went to charms. They sat in the front, they did charms with ease, they had flying next. Class ended Marhia dashed to the Ravenclaw dorm. She raced to the practice course. "Morning Madame Hooch." Marhia said. She stood in between Mint and Harold. They had transfiguration next, flying went oddly fast, Marhia quickly went to her dorm and threw her broom on her bed and signed up for Quidditch tryouts, and dashed to Transfigurations. After Transfigurations, Mint and Marhia went to the Great Hall for lunch. Marhia had Potions, then Care of Magical Creatures, then Herbology, and then dinner. "Mint do you have Potions after lunch?" Marhia asked. "No I have transfigurations." Mint said. After lunch Marhia walked back to the dungeons. Potions went by quickly, she went to Care of Magical Creatures on the grounds, she smiled, that class went quickly, she then went to Herbology, another class went quickly, she walked to the Great Hall. She sat down next to Mint. "So how was your day?" Mint asked. "Long and tiring." was what Mint heard Marhia say her head was on her arms. Mint saw her best friend keeping looking over at the Gryffindor table. "Where is he?" Marhia asked. "You looking for him again?" Mint asked laughing as she put some chops on her plate. "I just want to talk with him, I mean our parents were murdered and we grew up in completely different worlds." Marhia said, her blue eyes tinged with that familiar green looked for that black hair. "Where is Harry?" Marhia asked. "Merlin's beard Mar send him a letter to meet you." Mint said she was mad at her friend. "Mint at least you knew your brother, I only just meet mine let me get to know him." Marhia said. "Mar he's older thought, you're the older one you should be waiting for him to meet you." Mint said at her best friend. "I don't want him to make the first move I want to Min it's what I want to do." Marhia said digging into some shepherd's pie. Mint knew that was the last word with Marhia. As they walked to the Ravenclaw dorm Marhia stopped by the Owlery to right a message to Harry, she gave it to her snow owl Ichigo. Marhia

walked to the dorm and fell on her bed exhausted.
