**Chapter 1 - Meeting the Valkyria's**

**2**

# 1 - Meeting the Valkyria's

Disclaimer: I do not own Fullmetal Alchemist only Dorinda, Doretha, Alviss, and Kargin for now the list will grow in later chapters.

One day in Central five kids stood together, one was around twenty the rest were younger, they were watching an Assessment.

"Come on mom, dad." a little red, head said he had green eyes.

"Alviss you might as well not cheer." the tall blonde-haired woman said she crystal blue eyes.

"That's not fair Dorinda." two blonde-haired girls said in unison one had green eyes the other girl had crystal blue eyes.

"I give up talking to you three Doretha, Alviss and Kargin." Dorinda said handing Doretha the little red head baby she was holding.

"Stop being like that." Alviss said as Dorinda walked away.

"GET BACK HERE DORINDA NYMPHADORA ANTONITTE MARIE VALKYRIE!" Doretha yelled. No one paid them any mind they always fought. After Dorinda had walked some way away from her family, she shook her head.

"Hey Miss Valkyria." Major Hughes said walking up behind her.

"Oh hey Major Hughes before you ask I couldn't stand them Alviss was cheering again." Dorinda said glancing behind her and defending why she was alone.

"Will you meet someone then?" Hughes asked.

"I might as well mom is going to win again." Dorinda said turning away from the Assessment. She walked away with Major Hughes.

"How do you know she will win?" Major Hughes asked.

"She trained harder." Dorinda said. Major Hughes nodded and stopped.

"Lt. Colonel Mustang meet Dorinda Valkyria." Major Hughes said. Dorinda had glanced backwards at the Assessment. Dorinda looked at him.

"Do Do Do come on Ichigo is crying." Alviss said tugging on her arm.

"Viss can't you see I'm in the middle of something tell Dor to handle it." Dorinda said glancing back at Lt. Colonel Mustang.

"She tried but he wants you, please Do." Alviss said a wine in his voice.

"Major you know after the Assessment you are invited to dinner Lt. Colonel Mustang if you would like to come, I'm sure my parents wouldn't mind, Major could you tell him where we live I have a thing to take care of." Dorinda said. Dorinda picked up Alviss and ran to where Doretha, Kargin, and Ichigo were standing.

"About time." Doretha wined.

"Oh stop wining and give him to me." Dorinda snapped after putting Alviss down. Doretha handed Dorinda Ichigo the moment he touched her arms he stopped.

"I left a Lt. Colonel for this." Dorinda asked herself.

Later at the Valkyria House

"Pay up old man I told you mom would win." Dorinda was telling her father.

"I hate when you are right, here it is." Her father said handing her two dollars.

"I love when I'm right." Dorinda said.

"Estele." Dorinda called down the stairs.

"Yes Ms. Valkyria." A woman with pink hair and blue eyes said in a maid outfit.

"Could you set up another spot please, I kinda short of invited a Lt. Colonel for dinner." Dorinda said scratching her head.

"Ms. Valkyria don't mess up your curls." Another woman snapped she had blue hair and pink eyes in a maid outfit.

"Sorry Isabella (pronounced Is a Bella our at least my way)." Dorinda said. She was wearing a long dress that was purple and black. They heard a doorbell.

"Oh my god it's them, I don't even have the music ready yet." Dorinda said panicking.

"Dorinda breath it could just be Iris with the groceries." Her father said going to go get the door.

"Hey Do it's the Major, Gracia and that Lt. Colonel." Doretha said hopping around in Dorinda's room.

"Dor aren't you a little old to be hopping around?" Dorinda asked. Dorinda was standing in the upper floor.

"Hi everyone umm the music will be up in a bit." Dorinda said. Dorinda walked back to her room. She glanced at the mirror.

"I can do this it is just a Lt. Colonel." Dorinda told herself. She started some music.

I don't own this song Fall Out Boy does it's Dance Dance.

"He says he's no good with words but I'm worse

Barely stuttered out

"A joke of a romantic" or stuck to my tongue

Weighed down with words too over-dramatic

Tonight it's "it can't get much worse"

Vs. "no one should ever feel like.."

I'm two quarters and a heart down

And I don't want to forget how your voice sounds

These words are all I have so I'll write them

So you need them just to get by

Dance, Dance

We're falling apart to half time

Dance, Dance

And these are the lives you'd love to lead

Dance, this is the way they'd love

If they knew how misery loved me

You always fold just before you're found out

Drink up its last call

Last resort

But only the first mistake and I...

I'm two quarters and a heart down

And I don't want to forget how your voice sounds

These words are all I have so I'll write them

So you need them just to get by

Why don't you show me the little bit of spine

You've been saving for her mattress, love

Dance, Dance

We're falling apart to half time

Dance, Dance

And these are the lives you'd love to lead

Dance, this is the way they'd love

If they knew how misery loved me

Why don't you show me the little bit of spine

You've been saving for her mattress (mattress, mattress)

I only want sympathy in the form of you crawling into bed with me

Dance, Dance

We're falling apart to half time

Dance, Dance

And these are the lives you'd love to lead

Dance this is the way they'd love (way they'd love)

Dance this is the way they'd love (way they'd love)

Dance this is the way they'd love

If they knew how misery loved me

Dance, Dance

Dance, Dance

Dance, Dance

Dance, Dance." Dorinda sang. Her parents danced so did Major Hughes and Gracia, Lt. Colonel Mustang looked around. Dorinda went to go start some more music.

Pretty Handsome Awkward

By The Used

"Kickin' it out

Your dream vacation is my hostage refuge

A work in progress you bleed

Just like you puke while running a mile

I beg to differ, make me an offer

Walks on the rain you bleed

Just like you puke while running a mile

Hey, are you okay? (okay)

You look pretty low

Very handsome awkward

Do you feel okay? (okay)

You look pretty low

Very handsome awkward

Do you feel okay? (okay)  
You look pretty low  
Pretty low, pretty low  
Pretty handsome awkward

Do you feel okay?  
You look pretty low  
Pretty low, pretty low  
(handsome awkward)  
Pretty handsome awkward

(handsome awkward)

kickin' it out  
kickin' it out  
kickin' it out

Pretty low!" Dorinda sang everyone was dancing.

"Isabella." Dorinda called to her.

"Yes Ms. Valkyria?" Isabella asked.

"Could you dance with some one for me since I'm slightly busy?" Dorinda asked pointing to Mustang. Isabella nodded. Dorinda started some more music.

Passion's Killing Floor

By H.I.M

"It's poetry carved in flesh  
This beautiful hell of ours  
To the deadliest sin we confess  
(Tears of joy fill our eyes)  
We are saved with its bigotries  
My out-there prophecies of doom

My heart's a graveyard, baby  
And to evil we make love  
On our passion's killing floor  
In my arms, you won't sleep safely  
And of lust we are reborn  
On our passion's killing floor

At the first kiss  
the seeds of hatred are sewn  
Back into darkness we flee  
(To tear our hearts out)  
We are saved where all fates fail  
The light inside of our tomb

My heart's a graveyard, baby

And to evil we make love  
On our passion's killing floor  
In my arms, you won't sleep safely  
And of lust we are reborn  
On our passion's killing floor

My heart's a graveyard, baby  
And to evil we make love  
On our passion's killing floor  
In my arms, you won't sleep safely  
And of lust we are reborn  
On our passion's killing floor

(My heart's a graveyard, baby)  
My heart's a graveyard, baby  
On our passion's killing floor

(In my arms, you won't sleep safely)  
And to evil we make love  
On our passion's killing floor

Forever more. . ." Dorinda sang. She watched as everyone danced, she had a smile spread across her face. Dorinda started more music

LoveFuryPassionEnergy  
By Boy Hits Car

"He's like a lost flower  
Growing up through a crack  
In the bustling sidewalk  
Moving like a river so sad

So hey, where we going?  
Tell me where we've gone  
Was there love and fury  
Energy and passion

So f\*ck your rules man  
You step up, you'll go down fast  
I've got to release all the  
shoot that has made up my past

So go paint your face and  
Proclaim thy warrior soul  
Cuz life is a brutal fight un- Til we show  
A shade of timelessness  
For we are all distinct

And awaiting our  
Transcendental release

So f\*ck your rules man  
You step up, you'll go down fast  
I've got to release all the  
shoot that has made up my past  
So go let your soul dance baby  
Time to free yourself at last  
Unshackle your life's spirit  
Fly away far from the past  
Cuz it's gone

Like a lost flower growing with mad wind  
Like a sad river who has no end

So f\*ck your rules man  
Cuz here comes my passion  
So f\*ck your rules man  
Cuz here comes my love  
So f\*ck your rules man  
Here comes pure energy  
So f\*ck your rules man  
Cuz here comes my fury

SO F\*CK YOUR RULES MAN  
SO F\*CK YOUR RULES MAN  
SO F\*CK YOUR RULES MAN  
SO F\*CK YOUR RULES MAN

So f\*ck your rules man  
You step up, you'll go down fast  
I've got to release all the  
shoot that has made up my past  
So go let your soul dance baby  
Time to free yourself at last  
Unshackle your life's spirit

Fly away far from the past.” Dorinda sang when the dinner bell went.

Dorinda quickly scurried down the stairs as she hit the bottom step she tripped on nothing and landed in Roy’s arms. She glared at Doretha.

“Dor I’m going to get you later.” Dorinda said. After dinner she and Major were putting away clean glass cups when Major’s grip slipped and Dorinda tried catching it put it shattered hitting her with glass.

“What happened who broke it?” Her father demanded.

“It dropped and I broke it.” Dorinda said fighting back tears.

“That’s not true Dorinda I did.” Major Hughes said.

“Not they way we are taught we always brake it, I can fix it.” Dorinda said as she touched the glass it glowed blue and it fixed itself.

“Lt. Colonel would you like me to walk you home?” Dorinda asked putting the glass in the cabinet. He shrugged, Dorinda walked to go get her coat. As they walked Dorinda looked at the ground. She saw him stop.

“Well here you are I'd better be getting home so I can get in trouble.” Dorinda said turning around, when Roy turned to face her and...

To be continued.

Mawhahahah It's a cliff hanger.
