Chapter 1 - can you...

2

1 - can you...

The evening.

The sunset.

A look to the sky.

The first stars.

The moon.

I wonder

what's going on behind the atmosphere of planet earth.

Suns. Moons. Planets. Galaxies.

Live? Death?

Darkness? Light?

Love? Hate?

Peace? War?

I don't know.

I'm thinking of you.

Hoping, you're somewhere out there

in the universe.

Can you see me?

Can you hear me?

I don't know.

Maybe you can't.

Maybe you can.

My mind says "No! It's impossible! He's not real! He can't!"

But my heart says: "Yes, he can! He's somewhere out there! Maybe he can hear what your heart is calling out in the universe!"

And my heart begins to sing

the song of my soul.

A song filled with questions.

A song filled with tears.

A song filled with wishes.

A song filled with...love.

"Can you hear me? Where are you?

Can you see me? Here, on earth?

The planet that doesn't mean so much to you?

Can you feel what I feel?

Do you know me or don't you?

Who are you? An angel? Just a fiction?

The nightly sky is so beautiful.

Can you see my tears of emotion?

They're running down my cheeks.

They're burning my skin like fire and ice.

I wish you'd be there,.

Taking me with you

out in the universe.

Showing me sun, moon, stars.

Planets, galaxies and all the beauty
of the cosmos.

Fondness.

Can you hear me?

Maybe you can.

Maybe you can't."

Dreams and reality.

So different.

So cruel.

And so nice.
