# 1 - Love thoughts

Love makes you happy.

Love makes you sad.

Love is something you can't catch with your hands.

Love is something you can feel when you're holding your beloved tight.

Love makes you dreaming of the one you love.

Love makes you thinking of the one you love every single second.

Love makes you dreaming of the one you love at night.

Love makes you smile.

Love makes you brave.

Love makes you cry tears.

Love makes you getting scared when you don't understand the feelings of love.

Love has the taste of chocolate: sweet or bitter.

Love makes you blushing.

Love makes you jealous.

Love is wonderful.

Love is gorgeous.

Love makes your eyes shining like millions of diamonds.

Love makes your heart pounding.

Love is driving you crazy.

Love makes you life through rose-red glasses to see.

Love is magic.

White or black.

Love is energy.

Love is longing for the other.

Love is hard to understand.

Love.

Why must I be in love?
