Chapter 1 - Nick/Aaron/Sunflower

2

1 - Nick/Aaron/Sunflower

Nick is really friendly. Except when a girl is involved. He enjoys practicing his guitar and his martial arts almost twentyfour seven! His friend is Aaron and they make mean music. He doesnt really have a girlfriend (except in my fanfiction). He also plays LOTS of video games when he gets tired of other things. Dont question his authority!

Aaron takes to science n' stuff. He likes Liza a lot (hehe). He and Nick like to practice their music a lot in their band with Sunflower. He plays lots of video games like Nick. They rival in video game playing. Aaron's brain is like the archives of the earth. Hes really smart even though his grades arent top notch. And dont question his authority either!

Sunflower is a pop star who loves Shadow. Shes the main singer in Nick and Aarons band (we need a name...ill delete this small message after we get a name). She really likes romance (or so I think). And judging by her picture it seems like shadow keeps trying to kill her...weird.
